

**SYMPOSIUM FOR  
EMS PROVIDERS AND NURSES**

# Unraveling the trauma

**Exploring the why behind our actions**

Mark your calendars and plan to attend our 53<sup>rd</sup> annual trauma symposium.

The symposium will be held virtually so you can attend from your home, office or EMS station. Topics this year will span from pediatrics to geriatrics, crew safety and well-being to cardiac arrest management, medical care to trauma care, and everything in between.

Sessions will be offered throughout the month of June, on eight days with three one-hour sessions per day.

**CEUs will be available for EMS providers and contact hours will be available for nurses.**
