

Trenton State College Post To Col. Taylor

TRENTON — President Robert Heussler has announced the appointment of Col. Lester G. Taylor of 30 Norwood Drive, Toms River, as Facilities Director at Trenton State College.

COL. LESTER TAYLOR

Col. Taylor, a graduate of the United States Military Academy, West Point, has an extensive background in general engineering management at staff and operating levels in the Air Force. As Facilities Director at the college, he will work with the administration and faculty to plan the utilization of physical facilities on the 210 acre campus.

The retired officer has served as staff engineer and assistant to the director of the Division of Local Government Aid, New Jersey Department of Transportation.

From 1965-66 he was deputy director of civil engineering at Westover Air Force Base, Massachusetts, where he was responsible for the operation, maintenance, repair and construction programs at 13 Air Force Bases. He has also served as base engineer for Castle AFB, California, and McCoy AFB, Florida.

Air Force assignments for Col. Taylor from 1943 to 1960 included directing the combat operations with responsibility for air defense of Central United States, combat fighter pilot and flying instructor.
