

LAMBS GROVE CITY NEWS

SNOW PARKING – 69.10 SNOW REMOVAL. From November 1 to April 1 of each year, no vehicle shall be parked or left standing upon any of the public streets of the City when snow is in the forecast or when one inch or more of snow has accumulated.

Your vehicle may be towed if this is an issue. There is also an ordinance covering not pushing snow into the street. Keep this in mind as you are clearing your driveways.

BURNING LEAVES Burning is allowed in Lambs Grove. The City has an agreement with Newton Schools not to burn leaves during school hours - 7:35 am to 3:40 pm. Please respect this agreement.

No fires may be left unattended. Fires **cannot** be allowed to smolder overnight. Respect your neighbor's comfort, **do not burn** if smoke from your fire will blow into their homes. **Fires** are not allowed on city property or in city streets. Clear the street in front of your property. Burning of garbage is prohibited. Keep in mind that **free** composting is available at the Newton Landfill.

TREES We have reports of both Ash Borer and Oak Wilt. Please consider inspecting the trees on your property and arranging for removal of dangerous, dead or low hanging branches, this will save you money in the long run before they cause any property damage. When you replace a tree on your property not only are you removing carbon dioxide from the air but you are increasing your property value.

STREET CARE Much of our tax money is spent on street and storm sewer maintenance and repair. Help the City control cost by clearing leaves and debris from the street in front of your property. It is very important to keep storm sewer intakes open from accumulated debris.

PARKING There is no parking on grass. See Chapter 52 of the City Ordinances for further assistance. Parking is allowed only on one side of the street, check for the No Parking signs when in doubt.

GENERAL ELECTION – Tuesday, November 6, 2018
