Profile

A graduate of Oregon State University with a Bachelors of Fine Arts, I have a background and experience in design and have been working for the past year as an independent artist. I have over eight years of experience in design, marketing, management, psychiatric adolescent care, and most recently have been running my own business as an independent artist. I also have over fifteen years of leadership skills and first aid while completing my Eagle Scout award. I am a hard working, creative, and tenacious individual with a wide variety of skills and experience, willing to accomplish any task.
