March 18, 2020

Dear Parents and Families:

In response to the recent COVID-19 Virus, Family Health Network is taking precautions in our health centers and in our School Based Health and School Based Dental Programs.

Due to the local Cortland, Madison and Cayuga County school closures, our School Based Health and School Based Dental Program will not be providing services during normal school hours.

If you have a child currently **enrolled** in the School Based Health Program who needs to be seen by a medical provider, you can contact the FHN Health Center in your area to speak with a nurse about an appointment.

<b>Marathon Health Center:</b>	<b>607-849-3271</b>
<b>Cincinnatus Health Center:</b>	<b>607-863-4126</b>
<b>Cortland Family Practice:</b>	<b>607-758-3008</b>
<b>Pediatric Health Center:</b>	<b>607-753-3774</b>

If you have a child currently **enrolled** in School Based Dental Program with a dental **emergency**, you can contact the FHN Dental Office:

<b>Moravia Dental Office:</b>	<b>607-344-0052</b>
-------------------------------	---------------------

During the school closure, any requests for medical records or inquiries about services can be directed to:

<b>Family Health Network Administration:</b>	<b>607-753-3797</b>
--	---------------------

We will be in contact with school officials to communicate information about resuming services, and we will continue to keep you informed of any changes or updates to our School Based Health and School Based Dental Program during this temporary closure.

Thank you for your understanding,

Family Health Network  
School Based Health and Dental Program Staff
