

Fleet Captain Report February 2019

Thanks to the improving weather it appears that we may get a day sail in on February 10, going out in the afternoon and returning in that evening.

On February 10th we had three boats – ***Time 2 Cruise*** (Captain Don Himes), ***Theodore Robert*** (Captain Ethan Romans), and ***Lady in Red*** (Captain Gene Michaux) come out for our ***Afternoon on the Gulf***. We were treated to an absolutely perfect day to be out on the water – winds from 10-

17kts, seas calm, mostly sunny and for Time 2 Cruise a 15 minute frolic with several dolphins (see the video on our FB page).

On February 17 there will be a cruise to 3 Rooker returning the next day (February 18). Both cruises are sponsored by Don Himes. This will be a great warm up for the Spring Cruising Season and we urge you to untie and join the three boats already signed to go. Please contact Don Himes if you plan on cruising.

Let's try and make this a great cruising season with many day sails and at least one multi day cruise a month. Check the HBYC calendar for updates.

I will welcome any suggestions for day sails or cruises.

Les Emery

Cruise Director
