

PATIENT PORTAL ANNOUNCEMENT

**We are performing a software upgrade
January 6th – 8th.**

What this means for portal accounts:

- **You cannot send messages beginning January 4th.**
- **There will be a new website link & code for the mobile app that will be effective on January 9th.**
(We will not have this information until a week prior to the upgrade.)
- **We will have to re-enable your account at your next visit after the upgrade, or you may call us.**
