Hydrants All of the hydrants on Churchill Circle have been turned on and are working properly. They have been flow tested and painted. A hydrant on Javid and Ella/School street were also found, flow tested, and painted. If you see any hydrants besides the hydrant at Blackwater and Garcon Point that are not painted, please let me know ASAP. I will also be updating all of the hydrant information in the trucks.

Medical Bag Ensure that anytime a medical bag on any truck is used on a call that all equipment is placed back in the bag in a clean and organized manner.

Air Methods I am working on setting up a training date to have both Baptist Life Flight and Okaloosa Med Flight present to do not only a show and tell of both aircrafts but also to discuss what our roles will/should be if something happens to any of the crew members. The training will focus more about emergencies we may face if a crew member(s) is/are hurt, the pilot's input of the basics about the aircrafts, and how we can help she/he with landing and lifting operations.

MEDICAL TRAINING Required PTSD training. Be at the station NLT 1800 if you plan to get on a truck, if not be at station 12 NLT 1830

CERTS If you have or will soon have an expired DL, EMR, CPR, EMT, and/or PMD I need a copy of your new ones ASAP.

Per Thomas – ***CRAWFISH BOIL*** Well be held on 5/18 beginning at 1600.

FIRE TRAINING Will cover the new decon procedures. Please attend if you can.
