

2018 South Lake County
Antique Farm & Tractor Show
Sponsorship Program

Who We Are:

Founded in 1984, the South Lake County Agricultural Historical Society presents our annual Antique Farm and Tractor Show with the primary purpose of education and awareness in regards to our agricultural past. Through demonstrations of various pieces of equipment we are able to provide a glimpse into the past life of a farmer and show where we have come from over the past century. With your sponsorship we will be able to continue our educational efforts and provide a fun and family oriented weekend for all to enjoy. Now approaching our 34th Annual show we offer you an opportunity to connect with all our attendees, across a broad age spectrum during our 3 day show, plus additional traffic via our updated constantly updated website, communication through social media, as well as our printed material made available to the public at fine establishments throughout the region as well as at our show
