In Billings, Montana, we cue for 2 square dance clubs and teach Silhouettes Round Dance Club phase 3-6, NC-318 Carousel Club and we teach beginning Round Dance classes and Social Ballroom. We teach a winter program consisting of a Intro classes, phase 3 class, phase 3-4 workshop and phase 4-5 workshop in Sun City and a phase 3 class in Mesa Arizona. We have done many local, regional, and State Festivals and taught at USA WEST and Canadian National. We are available to travel for weekends, Festivals, rhythm clinics, workshops and other special events.

Lynn and Judy Strobel have been square dancing since 1976. Lynn started square dance calling in 1978 when the square dance club in Glasgow, Montana, was without a caller. Lynn has been club caller for five different clubs and has done guest calling in six states and two Canadian Provinces over the past 38 years. He presently calls for the Prairie Stars club in Miles City and the Saturday Night Plus Club in Billings, and does guest calling, including weekend festivals.
