"Preparing for Advent - Learning to Hope"

+++++

We turn to God with anxious eyes this Advent. Advent asks some very basic questions: do we still trust that God is in charge, is faithful to us and will finally draw us into a loving and lasting embrace? The answer to these questions is a reminder to us that we are indeed the people in whom God has invested much. For God has taken flesh among us; Jesus is our sign that God will not give up on us. He is the moment in the cycle of our downward spiral that allows God's mercy to step in.

Advent reminds us to 'be alert, stay awake.' Our staying awake and being attentive to the world around us can alert us to the already-arrived and still-coming of Christ. Most importantly, these days provide us with the reassurance that God comes now, in the people and events that shape our lives.

Come, Lord Jesus - Be Our Light, Our Joy And Our Peace!
