Lift Tickets- included in your hotel room reservation . Save /print the online reservation form – you will need it to get your lift tickets when we arrive at Lutsen. You are responsible for finding one or more fellow Redeyes that you want to room with. Then one of you would reserve the room with your credit card using the website link above and split the cost with your roommate or roommates.

Hotel/Lodging Pricing above is based on double occupancy at Americinn at Tofte ,MN. Americinn has a very nice common area, breakfast included, hot tub and is about 10 minutes from the ski hill. Shuttle to hill available. Located next to the Holiday station/convenience store. Rooming could be cheaper if you can coordinate roommates for triple or quad occupancy.

Meals: Breakfast included at Americinn, lunch and dinner on your own. We will plan a group dinner again this year for an additional charge. We are planning a wine and cheese party on Friday night at Americinn.

Transportation You will need to drive or carpool with other Redeyes as we do not have a charter bus. Last year most Redeyes did carpool together. Please let Sue or I know when you have booked your lodging reservation and we will help with carpooling once we know who is signed up.

Departure times may vary depending a people's time schedules. From Eau Claire it is 4 ½ hours to the Americinn. Sue and I usually leave about 3:00pm from Bloomer. We depart Lutsen about 3:30 pm and stop in Superior at the Culvers for dinner and are back to EC about 9:00 pm

We'd love to have you come to Lutsen, ski with your fellow Redeyes and check out the new Gondola to Moose Mountain and the high speed quad lift as well. Once you have reserved your room let us know and we will include you on the car pooling and planning emails
