

June 2020/Apple Tree Prep, Athens

Dear ATP Parents,

It's June, which means we are half way through the year. June is such a hot month so please don't forget to bring in sunscreen and insect repellent.

Over the last couple of weeks, we have explored dinosaurs, circus, and art explosion.

We are excited about being back and the ability to serve our community. As we serve, our top priority is safety. There was a concern about masks and students being afraid. We're happy to report this hasn't been the case.

The students are enjoying being with friends and enjoying their summer even with the masks, gloves, and a lot of cleaning occurring.

ANNOUNCEMENTS

***Sign up for a KidReports profile: KidReports will be your direct line of communication with your child's teacher and allow you to see into their day.**

***Each Monday there will be a live video feed playing at arrival from the previous week for you to view after dropping off your little one. We are using this method as a bird's eye view into your child's class. We ask that you drop your student off first so that their routine remains the same and then watch the clip if you like. We also ask that you not record or take picture of this video out of privacy of the children.**

***NO BACKPACKS ARE TO BE BROUGHT INTO THE SCHOOL. PLEASE BRING ALL ITEMS IN A ZIP-LOC BAG. ALL STUDENTS HAVE CUBBY SPACES TO LEAVE THEIR ITEMS FOR THE WEEK.**
