

Our family is deeply saddened to inform you that our Beloved CECILLE ROSALES WISSLEAD passed away Aug. 11, 2018 from Metastatic Breast Cancer.

This is a devastating loss for our family. We're grateful that her passing was as she had prayed for all of her life, which was for a Happy, Peaceful, Painless, Holy death.

She was surrounded with her immediate family, continuous bedside prayer, combined with much love.

Cecille is now dancing joyously with Jesus, the Blessed Mother and St. Joseph in Heaven!

Her wish was to keep her passing private.

Please - NO FACEBOOK POSTS - nor photos regarding her passing.

A private, Catholic funeral mass - for immediate family only - will be held on 08/25/18.
