

June 27<sup>th</sup>, 2019 Announcement

The turnout in our 50cc program in 2019 (and late 2018) has been fantastic, almost to the point of overwhelming. We feel like it is in the best interest of the series and the riders, for us to add a 50 "C" class. We have studied the results through the first two events and compiled a list of riders that will be eligible for this new class. Please note - these riders are "eligible" - NOT REQUIRED - to ride this new class. Once we hear from all the riders on the following list confirming which class they wish to be in, we will tabulate the "new" results and points for rounds one and two. A foot note to indicate what skill level of rider is eligible for this class will be "first year racer". The new class will follow the "C" class guidelines for numbers and background colors - they will use 300 series numbers with yellow backgrounds/black numbers. We hope this change makes for better competition and MORE fun for everyone.

Eligible racers for the 50C class...

- Kayleigh Kohn
- Milla Hill
- Briley Finch
- Evan Opie
- Mathew Curtis
- Kayden Williams
- Ryder Opie
- Shaelyn Couffer
- Kaleb Forrest
- Jake Ward
