## From the President's Desk:

The annual Christmas party will be held after a brief membership meeting, which will be held on Tuesday, December 21st at 6:00 pm (not 7:00 as usual). Members are invited to bring a side or dessert. The club provides ham and turkey. Be sure to bring some cash for the juniors gift auction.

It's always a boatload of fun.

I'd like to wish everyone a safe and successful hunting season this year. This is a great time to revel in the majesty of the great outdoors whether you kill anything or not.

Members are welcome to take any dead trees on the grounds for firewood. Especially anything you might want out of the pile behind pit 1. Just clean up after yourself when you're done and be careful.

### Pistol Committee

**IN NOVEMBER** In November We will host a 2 Gun match on 11/14 (ranges closed until at least 3:00). USPSA is finished for the year after a very successful season.

**IN DECEMBER** There may be a Fun Shoot December 5th but it is weather dependent.

### NIGHT SHOOT

On Saturday nov 6th, we hosted a no light, night shoot. About 40 shooters were presented with 5 stages of 25 or so un-illuminated targets, and were required to bring their own lights and/or night vision gear. It was an interesting event to observe as shooters learned to adapt to the challenge of the conditions. Safety was the primary concern, of course, and everyone stepped up to the task, and enjoyed the event.

We will likely do another one in the spring, right before the time change, watch out pistol blog for announcements.

### USPSA NEWS

79 shooters attended our last USPSA match in 2021.

Congrats to the winners:

## TROUT NEWS

They're Here!! 10,000 trout arrived from the State Fish Hatchery on October 27th and are settled into our nursery. We have 3500 Brook trout, 3500 Rainbow trout, and 3000 Brown trout. "It takes a village" to nurture these trout fingerlings to release-size. We have a strong team of volunteers scheduled to provide feedings and care throughout the winter and spring. Many thanks to our volunteers and Jerry Lauer, Trout Cmte Co-chair. Jerry is our trout-expert and helps coordinate our trout feeding and up-keep of the nursery.

Anyone interested in learning more about the trout — please contact Bob Nelson. It is a great way to meet new people and see how the trout-raising process works. We always enjoy seeing new and old faces to help out and enjoy the camaraderie with our trout prep work, the feeding through the winter and the trout-release anticipated in March through May 2022. If you are a new member and want to volunteer for this 2021/2022 trout-raising season, please contact Bob Nelson, email address: [treasure@yorkiwa.org](mailto:treasure@yorkiwa.org).
