The month of May - Message From Pope Francis.

Pope Francis invites us to rediscover the beauty of praying the rosary. He is requesting that during May 2021, the entire Church invokes the intercession of the Blessed Virgin Mary for the end of the pandemic and invites us to pray fervently for those most affected by it. Thirty Marian shrines have been chosen to take turns leading this prayer throughout the Church. Notre-Dame-du-Cap, in Trois-Rivières, Quebec, is among the Marian shrines chosen. The Vatican website offers some models of prayers to follow and interesting articles: http://www.vatican.va/special/rosary/index_rosary.htm

STANDING TOGETHER – EVEN TWO METERS APART!

Of course, and I am happy to support my parish through a donation by pre-authorized debit (PAD). It is a convenient way to make my Sunday offering and it saves the trouble of filing an envelope or of looking for the right amount of change. It also allows my parish to be able to count on my uninterrupted contribution ... and I have the pleasure of being part of the solution.

Amoris Laetitia

To mark the 5th anniversary of the publication of the Apostolic Exhortation *Amoris Laetitia* on the beauty and joy of love in the family, in March Pope Francis launched the Year "*Amoris Laetitia* Family," which continues until June 26, 2022.

This special year will highlight the significance of the family within the domestic Church and will promote the importance of community ties among families through various spiritual, pastoral, and cultural proposals. One initiative, a collaboration between the Dicastery for the Laity, Family and Life and Vatican News, is a series of 10 short videos (one each month) which include a reflection of each of the ten chapters by the Holy Father, and families from across the world responding as they speak about varying aspects of their daily lives. Accompanying each video is a downloadable pastoral guide, which includes material for personal and community reflection. Both can be found at the following link:

<http://www.laityfamilylife.va/content/laityfamilylife/en/amoris-laetitia/iniziativa-e-risorse/10-video-amoris-laetitia.html>

Our Group study continues on Zoom or in person at Saint Lawrence O'Toole on Thursday evenings at 6:00pm and St. Augustine's on Friday mornings at 11:00am. We will be starting with the writings of St. John Paul II, his letter "A call to Holiness". To register for zoom please contact Charlie at charlie.farrell@qasmoncton.com.

BACK TO BASICS

Whenever a coach feels his/her team is not living up to their potential, he/she will always say something typical like, "We've got to get back to basics." Without demoting anyone to the minor leagues, let's look at some of the basics of liturgy that we would do well to return to. I'll call them my seven deadly liturgical "sins". The first four "sins" we have little control over due to COVID; the next three we are totally in control of. A number of years ago in a document concerning liturgy, the American bishops wrote that good liturgy builds faith while poor liturgy destroys faith. Notice there's nothing in between. We are either being built up in faith, or we are going home after mass wondering why we did not simply go to the park and feed the ducks. Let's look at our situation here at St. Elizabeth of the Trinity. There are some temporary accommodations, due to the pandemic, that fly in the face of good, meaningful, uplifting liturgy. We have taken these interim measures for the safety of all, after all, people are always more important than liturgy, even good liturgy. Always remember, though, they are interim.

What we are not in control over

1) We have not been able to shake hands and greet each other in the normal way during the "sign of peace." What a shame that the power of good, human touch has to be reduced to a nod from a distance.

2) We are not able to share in the Cup, the Blood of Christ, at Communion time. This is the hardest part for me. With the very words of Jesus on my lips, I look right into your eyes at Mass and say, "Take this all of you and drink from it..." yet I have no intention of giving it to you. Again, for the safety of all, we cannot do as Jesus asked us to do.

3) Our ability to participate in processions has been curbed. Hopefully, as pandemic restrictions are lifted we will have gathering processions at the beginning and end of Mass as well as Communion processions where we don't have to keep physical distancing going. Without such processions, the Body of Christ seems so fragmented.

4) We are not able to sing freely without masks. Again, this is a temporary measure. When the assembly is not singing (COVID or not), we have a Mass; when the assembly is singing, we have a celebration. While we are not in control of these four liturgical "sins" just know they are temporary measures but far, far, far from what good liturgy calls us to.

What we are totally in control of

5) You have noticed that the Communion rite during COVID has changed. We have asked you not to respond "Amen" when you receive Communion. The priest or Communion minister will not be saying "The Body of Christ" to each individual. We do it collectively, that is, we all say together, "Amen" to start the Communion rite. There are no words exchanged after that. This is to minimize the chances of air-borne particles being transmitting. However, 25% of you still say, "Amen." Please don't do that. Here is an interesting fact. Before COVID, when you were expected to say, "Amen" at Communion, only 25% of you actually did. (This is not anecdotal but based on a sample size of 2-3 million over my 24 years as a priest). When you were encouraged to say "Amen," only 25% did so; when you were discouraged from saying, "Amen," 25% of you still do so. And you wonder why priests have so little hair!

6) There are still some of you following the readings and Eucharistic prayers in your missals. Some of you never look up into the face of the priest, the reader, nor your fellow parishioners. Remember, those personal missals are not liturgical texts and should not be used during liturgy. They are preparatory texts; you prepare at home with them. There are only two liturgical books that are to be used during Mass: the Lectionary (readings—Word of God) and the Sacramentary (Eucharistic prayers). What you hear at Mass is a proclamation and should never be reduced to multiple, simultaneous readings. God is speaking, look up!

7) There are a few couples and families that show up to Mass late week after week after week after week. This is very disruptive and shows little respect for the Body of Christ, the parishioners. On top of that, it is disrespectful of the presider, the music leader, and the readers. Anyone, including myself, can be late on any given Sunday. That's normal and perfectly forgivable. However, when the same few families show up late every week, it shows a lack of respect for everyone. This is the easiest thing on the list to correct.

These three last deadly liturgical "sins" are totally within our control, COVID or not. Let's make an effort to avoid bad habits. Remember, we are a team, a family. We are the Body of Christ. The Body of Christ deserves the best (not second, third, or fourth best) from the Body of Christ. Let's get back to basics, for the price we pay for shoddy liturgy is too high. Good liturgy builds faith. Poor liturgy destroys faith. And, there's nothing in between.

Fr. Phil

OUR LADY OF MERCY

CONGRATULATIONS to the parishioners of Our Lady of Mercy. Your financial support for our wonderful little Church continues to astonish. You are to be commended and the Almighty will return graces to you ten fold.

During the month of March our revenues exceeded expenditures by no less than \$3,837.31. Even more remarkable, given the global pandemic and a large reduction in normal revenues, after 3 months in 2021, our surplus revenue over our expenditures is \$8,665.86. Already your support of Our Lady of Mercy is being reflected in very generous contributions to our Rood Repair Fund.

Father Angus and your Parish Council are very appreciative of your generosity.

Mike Sullivan, Chair Our Lady of Mercy Parish Council.

Soup Drive

We Need Your Help*"Just as you cannot understand Christ apart from the kingdom he came to bring, so too your personal mission is inseparable from the building of that kingdom."* Gaudete et Exsultate (Rejoice and be Glad) Pope Francis – Paragraph 25

In response to the 2018 encyclical Gaudete et Exsultate the Adult Faith Commission, which has representation from the three Moncton area parish groupings, has been mandated by Archbishop Vienneau to put our faith into action in a way that can help families within our geographic area. With that in mind, representatives from the AFC recently met with Vincent Merola from the City of Moncton and Valerie McIntosh from the non profit organization, Isthmus, formerly known as "Blessings in a Backpack". Isthmus is a charity that provides for families who face food insecurity. They pack bags of food for children and their families that will bridge them from when they leave school on Friday until they return on Monday. Currently **they serve 734 children in 33 Moncton area schools.** The need is great, but the labourers are few, to paraphrase a quote from Scripture. In our meeting, Valerie outlined a concrete way our faith communities could provide help. She said that one thing they are in need of, but most often cannot afford to purchase, is soup. She was saying that a Soup Drive among all our parishes would be of great help. With that in mind, we would like to do a **Soup Drive from May 1st through May 17th.** Just bring your donation to your own parishes and we will arrange for pick up. Most parishes already have a basket in their churches for donations to the food bank, so when you bring in your cans please mark them as being for the **Soup Drive.** Thank you for your consideration of this ministry. I feel I can speak for all of us in saying that nobody wants to see a child go hungry. Mike Jeffries, Susan McCarthy, Mark Mahoney, Fr. Phil Mulligan Adhoc Committee – Adult Faith Commission
