

October 10, 2014

Dear Powerwash Services Customers and Vendors,

Following 25 successful years in the industrial cleaning industry, we are pleased to announce the rebranding of Powerwash Services, Inc. Based on the way that our business has evolved over the past two and a half decades, we no longer feel that the name Powerwash Services, Inc. accurately reflects our true identity as a company. Due to growth and experience, our service range has become more solutions oriented, with a focus on improving plant system performance and minimizing downtime.

Our new name--**PSI Industrial Solutions**--will be a growth accelerator to move our organization forward in the years to come. While our new name and logo will be different, the commitment we have to our customers and employees will remain the same. We intend to reposition our goals as we continue to provide distinctive value, services, and solutions which our customers have come to expect from Powerwash Services, Inc. over the past 25 years. Look for our new logo to appear on our mobile fleet, website, e-mails, and documentation.

**Current Legal Entity Name**  
Powerwash Services Inc.

**New Legal Entity Name**  
PSI Industrial Solutions

We are writing today to explain how this legal entity name change will impact purchase orders as well as customer/supplier invoices, payments, and contracts. Although our new legal entity name is already in effect, we will be implementing changes to our customer/supplier systems and forms effective immediately.

**Purchase Orders**

Effective immediately all purchase orders will reflect our new legal entity name.

**Invoicing**

The remit to address remains the same.

**Employer identification Number**

Our tax information remains unchanged.

**Contracts**

Existing contracts remain in effect as they are not impacted by the legal entity name changes. Our suppliers are important to us, and we are mindful that this transition must be as seamless as possible. Should you have any questions or concerns regarding the changes and transition process, please contact our corporate office. You can find additional information on our legal entity name changes on our new and improved website at: [www.psi-industrialsolutions.com](http://www.psi-industrialsolutions.com)

We appreciate your confidence in PSI Industrial Solutions and look forward to continuing our business relationships.

Sincerely,

A handwritten signature in black ink, appearing to read "W. A. Unger", written over a white background.

William A Unger  
President
