

PIXIE NURSERY SCHOOL

PLAYGROUP PROGRAM

2018-2019 School Year

PROGRAM OVERVIEW

The Playgroup Program is a 14-week program that meets once a week for two hours.* It is designed to help your child separate and socialize in a small group setting.

During their two-hour stay, children will work on an age-appropriate craft, sing songs, listen to a story and engage in structured and unstructured play-time. They will also participate in outdoor play (weather permitting) and snack-time. While interacting with their teachers and peers, children learn the concepts of sharing, taking turns, and following simple directions. Equally important, they will learn to become independent, self-confident students that enjoy attending school!

*Please note that the first day is only *one* hour. This shortened day is intended to give your child and teacher an opportunity to get acquainted and help facilitate the separation process. Parents and/or caregivers must remain in the building during on the first day.

Two-years-old by June 1, to attend the Fall/Winter session** &
