St. Mary's Home and School Association 2018-2019

*Hand in Hand
for Education*

What is Home and School Association?

St. Mary's Home and School Association (H&S) promotes and maintains parental interests in school, and provides a vehicle for communication and community building between parents and the administration and faculty. ALL parents and school staff are part of the H&S Association. Parents and school staff act collectively on behalf of and in support of our school. It is where families can bring up ideas and help the school grow.

H&S helps fund the school in many ways. The goal is to raise \$20,000 through our major Gala fundraiser and various fundraisers throughout the school year. The money raised provides field trips for our children, funds two scholarships for graduating Senior Alumni, and provides additional funding to enhance educational opportunities provided by the school. H&S also supports the community through different events.

H&S sponsors special interest programs for parents, enriching their role in the education of their children.

H&S Meeting Dates

There are meetings scheduled to keep you informed of all the school happenings. The meetings consist of a meal or planned event, a presentation from grade classes or school faculty, and a discussion of upcoming events. In addition, there is Principal news and the financial report.

Why should you get involved?

Families are strongly encouraged to attend all H&S Association meetings to be aware of what is happening at school and how H&S can help support our children. Families are encouraged to volunteer their time for our fundraisers and our children's events. Without teachers, staff, and parents, students would not be able to enjoy the various activities and events. Your time and assistance help in many ways. The activities sponsored by the H&S Association are designed to build community spirit and advance the mission of the school. Please consider giving your time and talents to one of our many activities or fundraisers. All help is truly appreciated. Thank you!
