

To whom it may concern,

The Department of Educational and Counselling Psychology is proud to present the 5th annual Summer Institute for School Psychology, which will be held May 26th and 27th, 2020. The goal of this annual conference is to offer a high quality, accredited professional development experience for school psychologists across North America.

The two-day conference will include a series of workshops presented by renowned scholars from Canada and the United States. We are committed to ensuring that our attendees have the best possible learning, networking, social, and tourist experience. As such, we are actively searching for sponsors to help us guarantee the continued success of our event.

After a very successful first three years, the 5th edition of the Summer Institute for School Psychology will continue to provide excellence while growing its reputation and size. This year we are expecting roughly 200 attendees. We hope to partner with you to provide them with the best possible experience while attending our conference and visiting Montreal. To ensure the sustainability of such an event, we require the support of organizations such as yours.

We offer you the chance to participate in the continued success of the Summer Institute for School Psychology and to celebrate this unique event with us while ensuring unparalleled visibility to the university community and professionals in the fields of school psychology and education. Attached is an outline of our various sponsorship packages and their benefits, which can be adapted to fit the needs of your organization.

More information can be found on our website: <http://www.mcgillschoolpsychinstitute.com>

We thank you for considering our request and look forward to hearing from you soon.

Kind regards,

Emma Tedone, M.A.
Sponsorship Coordinator

Vincent DiStefano, B.A.
Conference Chair

The goals of the Summer Institute for School Psychology are to provide attendees with a rich learning experience and promote the establishment of working relationships among professionals from across North America. It is also a unique opportunity for students to network with professionals and to gain valuable, practical knowledge about their chosen field, outside of the classroom setting.

The Summer Institute will bring together over two hundred professionals, academics, and students from the fields of school psychology and education.

Benefits of Sponsorship

We offer you the opportunity to participate in the success of this unique Canadian event. Below are some of the advantages that you can benefit from by becoming a sponsor.

- Visibility among more than 200 professionals, academics, and students from across North America

- Visibility in the fields of school psychology and education

- Chance to contribute to the success of a unique event happening within the McGill community

- Opportunity to support the professional development of current and future generations of school psychologists while ensuring their visibility in the field of education

By partnering with the 2020 Summer Institute, you will also be supporting the professional development of current and upcoming generations of dynamic and committed school psychologists while ensuring international visibility in the field of education.

On behalf of all the attendees and organizing committee of the Summer Institute for School Psychology we would like to thank you for your support and in making this enriching experience a reality. Thanks to you the Summer Institute will leave its mark on attendees as well as the community and its success will help to continue an annual tradition providing a high quality training experience for generations to come.
