Application Process

We appreciate your interest in applying to Entirety K-12. The following documents are needed for every grade level. Please complete all sections that apply to your child. If at any time during the application process you have questions, please contact our office at 352-593-4185.

Your child's application is complete when the following has been returned.

____ Completed Student Application
____ Last/Current Report Card
____ IEP if applicable

____ Copy of Birth Certificate
____ Parenting Plan if applicable
____ Educational Testing if applicable

The office must receive these completed forms including this page before we can continue the consideration for enrollment. Please double check for signatures where applicable. All applications must be turned in by June 2 2018 to secure a seat for the 2018 – 2019 school year. Applications received after June 2, 2018 will go on the Entirety consideration list.

Testing: Entirety administers a standardized test to all students as required by the state of Florida. Additional standardized tests will be used to provide our teachers with a baseline of where each child is performing. The stated mandated testing fee is included in the enrollment fee. Each student is required an admissions evaluation prior to enrolling at the cost of \$175.

Admissions: After submission of all of the above documents we will notify you by email or phone as to your child's enrollment status and appointment time for parent/child interview. If your child meets the admission requirements, but there are no spaces currently available in a class, you will be given an opportunity to keep your application active on a consideration list.

Enrollment: Upon agreement to partner together and before your child is officially enrolled, you will be given a letter of acceptance, enrollment packet to complete with all applicable school forms and fees.

Dress Code: We require solid colored collared shirt and solid denim, black, navy, or khaki bottoms.

School Calendar: We attend school 170 days. Students have a learning break every four weeks. Refer to the entiretyk12.com website for a look at our current calendar.

Annual Personal Development Field Trip: Entirety K-12 participates in multiple day trips that are based on the school's curriculum. Additionally, the school organizes an overnight learning experience to allow for students to practice their independence. This trip is **mandatory** and part of the program design. The students are also required to participate in the school-wide fundraisers to fund the overnight trip.
