

The Best of Both Worlds

From "Hannah Montana" by Miley Cyrus

You get the limo out front, Hottest styles, every shoe, every color
Yeah, when you're famous, it can be kinda fun
It's really you, but no one ever discovers
In some ways you're just like all your friends,
But on stage you're a star

You get the best of both worlds, Chill it out, take it slow
Then you rock out the show, You get the best of both worlds
Mix it all together And you know that it's the best of both worlds

You go to movie premiers (was that Orlando Bloom?)
Hear your songs on the radio, Livin' two lives is a little weird
But school's cool 'cause nobody knows, Yeah, you get to be a
small town girl, but big time when you play your guitar

You get the best of both worlds, Chill it out, take it slow
Then you rock out the show, You get the best of both worlds
Mix it all together, And you know that it's the best of both worlds

Pictures and autographs, you get your face in all the magazines
The best part is that, You get to be whoever you wanna be
Best, best, yeah, the best of both
Best, best, you got the best of both
Best, best, c'mon, the best of both

Who would've thought that a girl like me
Would double as a super star?

You get the best of both worlds, Chill it out, take it slow
Then you rock out the show, You get the best of both worlds
Mix it all together, And you know that it's the best

You get the best of both worlds
Without the shades and the hair
You can go anywhere,
You get the best of both worlds
Mix it all together, oh yeah
It's so much better
'Cause you know you've got
The best of both worlds
