

VILLAGE OF MILLERTON
Planning Board Meeting
June 12, 2013

The Village of Millerton Planning Board held its regular meeting on Wednesday, June 12, 2013 at 7:10pm with Lance Middlebrook presiding. Planning Board Members present: Carol Gribble, Peter Greenough. Patti Lynch, Peter Richmond, also present: John Gilmor.

Gilmor Glass works- John feels the financing is getting narrowed down and something should start to happen in about a month. John also is requesting from “Izzy” a sample of the fence. Peter Greenough asked the board to sit tight. Peter feels that John has something serious underway that he cannot tell at the moment. Lance suggests giving 30days to come back to the next meeting, July 10, 2013, to show what progress has been made. In the meantime, John will make improvements by, cutting the trees, moving the ladder, and speaking to “Izzy” to get him moving on the sample fence he is to be making in place of rent. Board agrees to wait until next meeting.

Minutes- Motion made by Carol Gribble approving the minutes of May 08, 2013, with corrections as presented, seconded by Peter Greenough and all board members in attendance approved and motion was passed.

Adjourn- Motion made by Peter Greenough to adjourn the meeting, seconded by Patti Lynch and all board members in attendance approved and motion was passed.

Respectfully submitted,

Wendy S Prause
Secretary- Planning Board

Next meeting: Wednesday, July 10, 2013 at 7:00 pm.
