You Don't Want to Miss this!

The Denver Police K-9 Unit will be on hand at our potluck to give a demonstration of how the police dogs work. As mentioned in a previous newsletter, the potluck this year was originally going to be held in Clement Park, but it had to be moved to the Concordia Event Center, due to liability issues with having the police dogs in an open space like a park. Special permission to bring the dogs into the event center was granted by the Concordia management, so that the dogs could be in an enclosed area.
