## **STEPS TO REGISTER YOUR ATHLETE ON FamilyID**

This message is for families with children participating in sports at Almont Community Schools.

We are excited to announce that Almont Community Schools is now offering the convenience of online registration through FamilyID for our sports programs. Family ID is a secure registration platform that provides you with an easy, user-friendly way to register for our sport programs and helps us to be more administratively efficient and environmentally responsible.

When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs. *Do not register / pay for your child until they have tried out and made a team.*

As in the past, students must have a completed hard copy of the MHSAA Physical Form. The completed physical form must be brought to the Athletic Office at the High School **before** tryouts. This form will remain on file in the athletic office until it expires. (See the top of the MHSAA physical form for more information on expiration).

Once your child has tried out and been accepted on a team, a parent / guardian, along with the student athlete can go to [www.almontschools.org](http://www.almontschools.org) and click on Athletics, then on the next page click on FamilyID. Once you have reached the FamilyID site, you can register by clicking on "Register Now". Follow the "new family" or "returning family" steps below:

### **DIRECTIONS FOR NEW FAMILIES:**

1. To find your program, click on the link above and select the registration form under the word **Programs**.
2. Next click on the green **Register Now** button and scroll, if necessary, to the **Create Account/Log In** green buttons. If this is your first time using FamilyID, click **Create Account**. Click **Log In**, if you already have a FamilyID account.
3. **Create** your secure FamilyID account by entering the account owner First and Last names (parent / guardian), E-mail address and password. Select **I Agree** to the FamilyID Terms of Service. Click **Create Account**.
4. You will receive an email with a link to activate your new account. (If you don't see the email, check your E-mail filters (spam, junk, etc.)
5. Click on the link in your activation E-mail, which will log you in to FamilyID.com.
6. Once in the registration form, complete the information requested. All fields with a red\* are required to have an answer.
7. Click the **Save & Continue** button when your form is complete.
8. Review your registration summary.
9. Click the green **Submit** button. After selecting "Submit", the registration will be complete. You will receive a completion email from FamilyID confirming your registration.

At any time, you may log in at [www.familyid.com](http://www.familyid.com) to update your information and to check your registration(s). To view a completed registration, select the "Registration" tab on the blue bar.

### **DIRECTIONS FOR RETURNING FAMILIES:**

You may use the information you submitted in previous seasons to save time with future registrations. Please use the following steps.

1. Click on the Current Season registration form on your school's FamilyID Landing page.
2. Login using the e-mail address and password you created last season.
3. Choose the sport.
4. Click on "Add Participant Below or Click to Select" and pick your child's name.
5. Update health and demographic information, if necessary.

## **Custom Mouthguard Information 2021**

The risk of serious injury to the mouth is inherent in all contact sports. Therefore, it is important for you, or your child to wear a mouthguard while participating in contact or collision sports. Coaches and trainers generally urge all participants in contact sports to wear a mouthguard when playing or practicing to reduce the degree of injury from traumatic blows to the head and/or mouth.

The wearing of a mouthguard of any kind cannot prevent all mouth injuries from occurring. **A properly fitted, custom fabricated mouthguard** can help prevent most mouth injuries as well as decrease the incidence of **concussion**.

**Dr. J. Vanderest and staff will be available Friday, June 18<sup>th</sup> starting at 9:00<sub>am</sub>** to take impressions of the athlete's teeth so a mold can be made to fabricate the custom mouthguard. There will be a sign-up sheet available for the student athlete's who are interested. **If you are unavailable on June 18<sup>th</sup> please contact our office by June 10<sup>th</sup> to make an appointment and guarantee delivery and current fees.**

**IF YOU CURRENTLY WEAR BRACES PLEASE CONTACT YOUR ORTHODONTIST FOR A PROPERLY FITTED MOUTHGUARD.**

Custom mouthguard: Fee \$30.00 (To be paid at time of impression)  
Available in orange and black

The mouthguards are provided by Gary Zehnder from Brooklands Dental Lab.

If you have any questions and/or concerns, Dr. Vanderest may be reached at 810-798-3941.
