

# WFE PAW PRINT

Principal's Welcome:

---

Wow! We've had a great start to the year here at Walton Ferry. Our school looks fantastic with new floors, ceilings, lights and gym floor. Our students deserve to have a school that is modern and inviting. We still have some things that need to get finished, but we're well on our way. Our Library is undergoing lots of changes. It has been painted and will have new ceiling, lights, carpet and furniture. It will look like a completely different space! The completion date is set to be Fall Break. Of course we are still looking forward to the completion of 8 new classrooms, restrooms, storage and work areas in February. Until then our fifth grade classrooms are in our two computer labs and the two other classrooms across the front of our hallway. Right now everyone is using every bit of available space to make this work. All of our Related Arts teachers, except PE, are floating from classroom to classroom as they teach each grade level. We do not miss our portables, but all of us are certainly looking forward to the brand new wing!

Along with lots of new in the building we also have new staff members. I hope you will welcome them. Walton Ferry is blessed to have wonderful teachers and staff. They love our students and give so much of their time and effort to them. Our new staff members are no different and we are excited to add them to the Walton Ferry family!

Bertie Alligood, Principal, Walton Ferry Elementary
