

Warranty

Our guarantee is as functional and straight-forward as our products. We value your business and always attempt to provide you the very best. You will find that we apply the same standard of excellence to our products as we do to our customer service.

Our premium compatible products are warranted to be free of defects in materials and workmanship for the lifetime of the toner cartridge and 12 months from the purchase date of ink. In addition, we warrant if that under normal use, our products have been the source of damage to your customer's equipment, we will reimburse you for the cost of repairs. Please note that adequate documentation from an authorized repair center is required.

All of our premium compatible imaging supplies meet or exceed OEM standards. If for any reason you are dissatisfied, we will credit 100% of the purchase price!

Under the "The Magnuson-Moss Warranty Act of 1975" the use of our premium compatible cartridge does not affect your printer's manufacturer warranty. The Act states: "No warrantor of a consumer product may condition his written or implied warranty of such product on the consumer's using, in connection with such product, any article ... which is identified by brand, trade, or corporate name."

Please refer to your printer's manual for installation instructions. Our premium compatible products are not responsible for damage to your printing equipment that is a result of abuse, misuse, mishandling or the failure to perform normal or necessary maintenance. Disassembly of any cartridge will void this warranty. Repair or replacement, as provided under this warranty, is the exclusive remedy of the consumer - our premium compatible shall not be liable for any incidental, reliance, or consequential damages or breach of implied warranty on this product, including any damage to person or property. Our premium compatible product liability under any circumstances is limited to the purchase price.

Our premium compatible cartridges carry no warranty except as expressly contained herein. Our premium compatible disclaims all warranties of merchantability and fitness for a particular purpose other than for use as a printer cartridge. There are no warranties which extend beyond the description contained herein.

Please review the warranty information and proper care instructions provided with the cartridge. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages or implied warranties, so the above limitations may not apply.
