All dancers will have their individual taken during their class's scheduled time. **If you choose not to have an individual picture taken, please be sure to email asod@centurytel.net ahead of time to let me know they won't be there.** If your dancer is unable to attend their picture day/time, we can reschedule individual photo for the other picture day. We have multiple families with siblings and dancers that take multiple classes; it is impossible to try to get each family's classes on one day so I apologize in advance! We ask for your patience and understanding if your dancer's pictures aren't on the same day or their class times aren't back to back. Exact time may be adjusted slightly once we get closer to picture days. An updated email will be sent if any changes are made.
