Dear Lochearn Family,

We are organizing a commemorative booklet for our 60th Anniversary Reunion on **July 20th -22nd 2018**, full of pictures from the past, the history of the pool, advertisements for your businesses, and it will also serve as a guide to this fabulous weekend we are planning for you. Inside will be our schedule for the weekend with times and dates, at least 16 swim and dive team pictures throughout the years, the dedication pages for the two swim teams and divers being honored. It will also contain pages of your pictures, captions, business cards, a list of honorees (coaches, parents, swimmers, and divers) and some history on our older living alumnae. What better way to honor your family, commemorate friendships, advertise businesses, and services. Get your order in early! This will be a once in a lifetime memento!

There will be a limited number of pictures/captions, business card ads, ½ page ads, and lines of text from well-wishers available for purchase. Pics and ads will be accepted with full payment on a first come, first serve basis. This limited edition booklet will be a one of a kind keepsake and will never be duplicated. Pre ordered booklets will be included in your registration packets. Any surplus booklets will be on sale at the registration tables on Friday and Saturday.
