CAMP SUNRISE

FOR THE CHILDREN

Camp Sunrise enjoys the reputation of being one of the finest children's grief camps in the nation and the longest running in the state of Oregon.

Camp Sunrise is founded on the understanding that every child deserves the opportunity to grieve in a safe, supportive, and understanding environment.

If you know a child between the ages of 7-14 who has lost a loved one to death, consider Hospice of Redmond's Camp Sunrise.

2017 Camp Sunrise is June 16-18th
