VMLA Speaker Form

Overview

Due to the large number of speaker requests for our events, the VMLA is now taking the requests via form submission only. We currently have two events – The Residential Mortgage Summit held in the spring and the VMLA Annual Convention held in the fall. We do occasionally have half day education events. We have a strict policy against sessions that are all “selling” in nature.

Selection Process

We receive numerous speaking proposals every year. As speaking opportunities emerge, applications will be considered from the speakers who submit the speaker form by the deadlines listed below. The selection of speakers at our events are made by several committees comprised of our members. Speakers and topics are chosen based on member surveys, timeliness of topics and relevance of topics to the mortgage industry. Priority is given to VMLA members.

Notification

The selection committees will carefully consider your proposal. If you are chosen by the committees, we will reach out to you to let you know the details of the event and ask for your commitment at that time. We will **not** reach out to you if you are not chosen.

How to submit

Please fill out the Speaker Form and return the completed form along with any supported material to info@virginiamla.com.
