March 15, 2020

Dear Marathon Community:

The Cortland County Superintendents met with Cortland County Executive Robert Corpora, many of the Cortland Legislators and the Cortland County Health Department earlier today to discuss COVID-19 and the potential impact on schools.

By now, you are likely all aware of the County Administrator announcement of a State of Emergency in Cortland County.

As per the order of the County Executive, students will be out of school beginning Wednesday, March 18, 2020. Students are scheduled to return on Tuesday, April 14, 2020.

The district plans to share more information tomorrow regarding this announcement. As we prepare for continuity of instruction for all of our students, we anticipate using next few days to solidify plans to meet the needs of our students.

We recognize that some of you may be uncomfortable sending your children to school. Please know that we respect your right as parents to choose what is best for your child.

Sincerely,

Rebecca Stone  
Marathon CSD Superintendent
