We are located in Peacock Plaza, which is situated between the east and west-bound lanes of Hwy 80. If you are coming from I-95, you will take Exit 102. Go west and continue down Hwy 80 approximately 1 mile. You will see the sign for Peacock Plaza. Pizza Hut is also in the same plaza. Turn left, we are located near the end. If you miss the turn, turn in at the yellow building with the red roof where Cash Back Pawn is located and circle around the parking lot. If you are coming down Hwy 80, we are just past the place where the east and west bound lanes split. Turn left just after Ameris Bank. We are the brick/stucco shopping center, **not** the yellow building with the red roof.
