

Matanzas Shores Homeowners' Association Landscape Report
September 28, 2018

Irrigation

Note the July 11th salinity test results below.

MSOA (wells) E.C. 7.29ms, West Lake E.C. 5.22ms, East Lake E.C. 3.66ms, SCII E.C. 7.64ms, RC E.C. 7.14ms

Landscape Items Completed:

- Responsibility for maintenance of the A1A project was turned over to MSOA and Landcare has started maintaining the beds.
- Plans for flowers at the entrances and plant and hedge planting at the privacy fences are in process.
- Harris trimming of shrubs around perc pond 2 will be completed soon. (if not by the time of our meeting)

Other- Lakes:

Clear Lakes will look at the vegetation areas and provide recommendations on how/when to proceed with the Littoral Zone maintenance.

Sylvester Palm trees will be trimmed by LandCare.
