

# ARTS FOR SOCIAL CHANGE

## Who are we?

"Social Entrepreneurship for Arts" is a VET cooperation partnership project, funded by the EU through the Erasmus+ program under the 2021 Call for proposals. Partners come from Germany, Italy, Greece, Ireland, Bulgaria and Cyprus.

## What do we offer?

Free, open and accessible e-training and mentorship programs on social entrepreneurship for students in arts and humanities, as well as young artists, residing in the EU. Cooperation and networking opportunities.

## Our Vision

We strive to empower European young artists with knowledge and skills to create, manage and sustain social enterprises, mobilizing arts to create social change for a better Europe for all.
