Date: 10/13/22

Reference: October Horticultural Review

FL. Certified Horticultural Professional: Kevin Greene

Good Day,

In reviewing the community, the following items will be addressed:

General/Pruning:

- Next pruning service is scheduled for the last week of November.
- 25411 Galashiels – Complete road side hedge to 6 feet, as needed.
- Monitor damaged material from Hurricane Ian.
- Tighten Clusia hedge sides.
- Selective prune Nora Grant, as needed.
- Remove dead fronds from Pygmy Date palms.
- Otherwise, shape prune as needed, throughout property.

Irrigation: All concerns noted in this inspection will be assigned a service request for needed corrections.

- Irrigation Inspections are scheduled the 3rd week of the month.

IPM: All concerns noted in this inspection will be assigned a service request for needed corrections.

- Next IPM service is scheduled for the 3rd week of October.
- Tech will monitor for Chinch activity.

Fertilizer Applications:

- The turf and plant fertilizations are scheduled the 1st week of November.

Should you have any questions on the above information please feel free to contact me at 239-643-4471.
