TENNIS COURTS

On Sept. 5th at 3:15 we'll be holding a ribbon cutting ceremony to celebrate the first match on our new varsity tennis courts! This event is open to the community. The Cedarburg School District is excited to

provide another great facility for our student athletes that can also be used by our community members. Our girls' varsity tennis team will be taking on University School of Milwaukee at 4:15 following the ceremony.

PAT MOORE NIGHT

Sept. 15th will be Pat Moore Night at our home football game. We'll be holding a ceremony before the start of the game to honor his accomplishments, years of service and dedication to the community and football program. Cedarburg athletics is honoring Pat Moore for his 32 years of service and countless hours of dedication to the Cedarburg Football Program. The success of the high school football program has benefited from well-prepared players under Coach Moore's leadership. Coach Moore led the Colts program for 32 years. Under his guidance the Colts rank among the most successful programs Youth Football programs, winning the second-most games in the 35-year history of the league. More impressive than the wins are the connections he made with his players and the great leader Coach Moore was for our youth football program. We are excited to celebrate Pat Moore Night!!!
