

2015 Bluegrass Birding Festival & Craft Fair

May 9-10

Presented by: Wild Birds Unlimited with Lexington Parks & Recreation

Wild Birds Unlimited and Lexington Parks and Recreation will be hosting the 2nd annual Bluegrass Birding Festival & Craft Fair May 9-10, 2015 at Jacobson Park. We would like to take this opportunity to tell you a little about our hopes for this festival and invite you to participate. Central Kentucky has great opportunities for birding. There are over 350 species of birds that have been documented visiting or living in our state. With this festival we would like to showcase not only the diversity of birds but also the beauty of the region that is so often overlooked. We are planning several bird walks, banding demonstrations, live raptor exhibits, a free evening movie, and many other exciting activities. We will also have a raffle to raise money for conservation projects, and would be grateful to vendors willing to donate an item to the raffle.

In addition to the birding events, we would like to incorporate nature related organizations and local art into the festival by including a vendor area for demonstrations and selling. We expect to have good news coverage and we anticipate a lively turn-out for both days. We think this festival will be a great opportunity for you to connect with a large number of like-minded people and we would love to have you join us.
