

Seminole DRUMBEAT

Seminole Chapter, Echokotee Lodge, Order of the Arrow, May, 2014

HOSTING the Section Conference:

Section conference this year was a blast! Our chapter had trash duty which was a breeze. We had a great time, and were proud to be part of the best and sexiest lodge ever! We had a decent turnout from our chapter and we are looking forward to next year's conference.

Chapter Service Project:

The Seminole Chapter had a service project on April 27th. We worked together to cheerfully service our environment with each other by improving the area. Our project was to clean up trash around the Oceanway civic center. We are glad to have been able to help out.

Ideas for Improvement:

At our chapter meetings, we have been brainstorming ideas to make our chapter's campsite cleaner, more appealing, and almost as attractive as ourselves. Almost!

We have also been thinking of ways to make our chapter more spirited to show how much we enjoy each other's company. We plan to be doing improvements to our campsite in the near future.

From the Chapter Chief:

Seminole, thank you for your dedication to Scouting and the Order of the Arrow!

Remember we have Chapter and Lodge elections coming up at the Summer Fellowship, so be thinking about what office you might want to run for!

I have enjoyed my time as your Chapter Chief, and look forward to staying as active as I can as I head off to college. At least I will still be in the same Council.

Seminole, continue to give back to Scouting and serve your Troops. Also, if your troop hasn't received an Election yet this year, and now wants one, please contact either myself RBDLandrum@gmail.com; 904-802-3479 or Bruce Landrum (Adviser) bdlandrum@gmail.com.

-Yours in Brotherhood,
Robert Landrum
