\*\*\* Activities below are part of our Full Day Program

School is out, but gym class will still be in session at SUMMERFUN KIDS CAMP. We offer a variety of games and activities that are one of a kind to our camp. Our camp is ran by certified K-12 physical education teachers, Brian Lockman and Eileen Mission; both teach in the Swedesboro-Woolwich school district. The rest of the adult staff is comprised of additional Swedesboro-Woolwich teachers and our Jr. Counselors are college and high school students who have attended our camp in the past.

During the morning session all campers will participate in a stress-free atmosphere while enjoying many of the games and activities they love from their school gym classes. The full day program will allow campers to participate in activities that will keep their minds active and fresh over the summer break. Add in Nerf wars and field trips to guarantee the fun never ends. Our goal is to demonstrate to our campers the many entertaining ways they can stay both physically and mentally active. Our staff strives to use their years of experience to make an everlasting impression on each and every camper.
