We couldn't have done it without YOU!

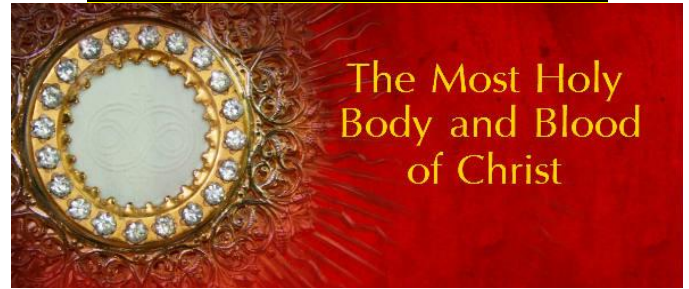

On behalf of the Wild Flowers Girls Club, thank you for your generous support of our Baby Shower benefiting Pregnancy Ministries here in Shippensburg. It was exciting to watch the pack-n-play fill up and overflow with all the baby supplies. I know it will all be put to good use. Thank you again.

I would also like to say thank you for the parish's support of the Little Flowers Girls Club and the Wild Flowers Girls Club over the past 8 years. It has been a pleasure to work with the girls in our parish watching them grow into the beautiful young ladies that they are. I will sincerely miss leading these groups.

A Perfect Gift

Read the full version at usccb.org/perfect-gift.

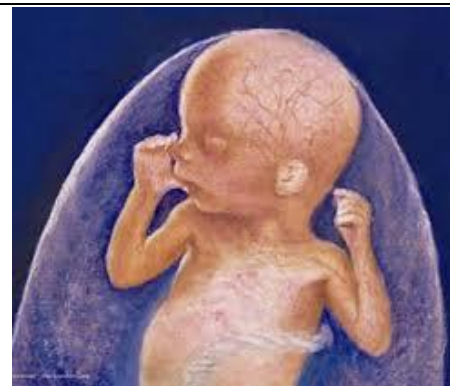

Soon after the birth of my son Charlie,* who has Down syndrome, a visitor asked whether he was “mild, moderate, or severe”—referring to his level of cognitive impairment. I was shocked. In my arms I held my beautiful baby boy, who defied easy categorization.

It's like looking at stained glass from the outside: the colors look dark, and you can't see the figures. But inside, with the sun shining through, the effect can be brilliant. From inside our family, love illuminates our life with Charlie. What may seem dreary to others, perhaps even unbearable, is actually filled with beauty and color. Our love has nothing to do with his abilities. We love him simply because of who he is, and understanding this teaches us a fundamental truth: every life is a good and perfect gift.

We are looking for more volunteers to help clean the church on Thursday mornings. If you are interested, please contact the church office at 717-532-2912 or email Tracy Plotner at tplotner@hbgdiocese.org.

Stages of Human Life – Month 5

“Mommy felt me kick today!” This month marks the half-way point to birth, and the baby is very active. Sleep habits develop and his/her mother can feel him/her move and stretch, particularly when she is resting. He/She is big and strong enough to kick hard against the outside of the uterine wall and dent it. Up to now, although he/she swam with ease in his/her watery world, he/she was too small for her to detect because the inside wall of the uterus has little feeling. Babies born at this age have survived. © 2001 Linda **Brenegan** Used with permission.

Visit the back of the church and check out the poster to see what I look like at **5 Months**. There are also brochures detailing the entire nine months of development.
