## What is Vollara?

Vollara is an online wholesale Membership Club, focused on the best, scientifically based, and proven health, wellness and eco-friendly technology products for Members. Think of it like a health and wellness focused Costco or Sam's Club but without stores and Vollara's memberships are free..

Vollara is dedicated to uncompromising health. The nutrition you provide your body, the way you manage your weight, the air you breathe in your home, the water you drink, and even how you wash your clothes has significant impact on your physical health and mental well being.

There's a saying, **"You can have all the money and free time in the world, but if you don't have your health they are not worth very much."**

We agree!

As a Member, you have access to all of Vollara's premier health and wellness products and technology at wholesale pricing. It's easy, convenient and affordable. All with a 30-day money back guarantee, no questions asked. As the saying goes, **"Treat your body like you are going to need it for 100 years."**

Financial health of our Members is also a priority with Vollara. Part-time and career opportunities are available to positively impact your current and future finances. For those who like to keep their options open to make additional money, this may be what you are looking for!

Call your Vollara distributor today to find out how to get started!!
