- BRRRRR! It's getting cold outside. If you haven't put your stall window in please do so ASAP! Also, please close the large barn doors if you are the last to leave. This really helps keep the cold air out of the barn.
- Our webpage is currently under construction and we look forward to having a new look with updated information by the start of the new year. Until then don't forget to follow us on Facebook.
- We will be setting show dates, club parties, clinics, etc over the next month so please make sure you let the board know if you have an ideas!
- Stalls available! Please call Jenny DeVries @ 765-341-5100 or Yvette Rollins @ 812-797-4540
