

Dear Friend Residing In/Near To Mesa Meadows,

Amy Davlin here - - today, I'm contacting you as a mom and neighbor, not as the PTSA President. And, for once, I'm not asking for money or volunteer time to support the schools! Perhaps, miracles do happen 😊

Jolean Scott, our 9-year-old friend and neighbor at 628 Louisiana, was diagnosed with Diffuse Intrinsic Pontine Glioma (DIPG) in August 2018. DIPG is an aggressive, inoperable brain tumor. The onset is sudden; symptoms often appear a few weeks prior to diagnosis. At present, there is no effective treatment and there is no cure.

The median survival time after a DIPG diagnosis is 9 months.

Jolean has always been a bright light in our Mesa Meadows neighborhood and beyond. Even if you don't have young children who play together on our block, you may recall her beautiful, freckled smile and her love for all animals. You may recall her effortlessly cruising around Louisiana on her skateboard, hoverboard, rollerblades, or some other new-fangled wheeled thing, as recently as July.

We hope to give Jolean and the Scott Family a small gift this holiday - a memorable Christmas Eve which includes her neighbors and community caroling for her and her family.

Post-On-The-Fridge Quick Details -----

- **Before Christmas Eve**

If your child wishes to make a **personalized holiday card** for the Scott Family, I will collect them in a basket and deliver to Jolean after the caroling.

If you have a **battery-operated candle** (available at both dollar stores here in Bayfield) please bring one along for each family member/friend.

- **On December 24, Christmas Eve**

6:15pm - All may convene outside here at our home - **624 Louisiana**. We'll get organized, collect cards, and coordinate with Santa and Mrs. Claus

6:30pm - Together we'll walk over to the Scotts' home and sing three carols which are a few of Jolean's favorites:

- 1.) Rudolf the Red-Nosed Reindeer
- 2.) Santa Claus is Coming to Town
- 3.) Jingle Bells

My son expressed interest in ending with a children's-only rendition of: "Jingle Bells, Batman Smells." He knows far better than me what's sure to make Jolean smile, so we hope to end on that positive note.

If you're interested in participating, you're welcome to show up at my home on **Christmas Eve, December 24th, at 6:15pm**, without an RSVP. Or, you are welcome to email or call/text with questions or to confirm: (970) 403-4330; amdavlin@gmail.com.

Thank you -- wishing you and your family a joyful, safe holiday season,

Amy Davlin
