CONSULTATION AND TRAINING SERVICES

Co-Director, Triumph Center Consultation and Training Program for Young Adults, Reading, MA (2018-Present)

Provides consultation and staff training for colleges and post-secondary vocational programs dealing with young men and women with high functioning autism and related social-emotional and learning challenges that threaten their successful transition into independent adulthood.

Frederic Krell, Ph.D. Consulting, Salem, MA (2017-Present)

Offers specialized consultation, staff training and supervision for mental health services, child protection services, legal services, juvenile and adult residential treatment programs, boarding schools, group care facilities as well as correctional and probation services.

CLINICAL AND FORENSIC EXPERIENCE

Psychological Consulting Services, LLC, Salem, MA (1994-Present)

As Co-Founder and Partner *emeritus*, performed specialized clinical and forensic assessments for attorneys, courts, clinical and correctional facilities, public and private schools, mental health agencies, businesses and municipalities. Provided expert testimony in Superior, District, Juvenile and Probate Courts.

School Consultation Services (1987–2012)

Provided regular consultation, supervision and training for public school clinicians, administrators and SPED staff regarding risk assessments, abuse evaluations, fitness for duty, program development and evaluation.

Mass. Treatment Center for Sexually Dangerous Persons, Bridgewater, MA (1992-2009)

As a member of the Community Access Board, performed evaluations and provided Superior Court testimony regarding statutory and inmate petitions for change of status as a Sexually Dangerous Person (SDP).

Malden, Lynn, and Gloucester District Court Clinics (1999-2006)

Provided administrative and clinical supervision for psychology and social work staff.

Essex County Juvenile Court Clinics (1997-2002)

As principal collaborator with Children's Friend and Family Services, developed Juvenile Court Clinics and provided supervision and training for Designated Forensic Psychologist (DFP) candidates, social workers and other court personnel.

Massachusetts Division of Forensic Mental Health (2000-2005)

Performed Mandatory Forensic Reviews (MFR) for the Child and Adolescent Forensic Consultation Team.

Private Practice, Swampscott, MA (1978-2005)

Provided consultation, clinical supervision, individual, family and couples psychotherapy for children, adolescents and adults.

Project COPE, Lynn, MA (1984-1994)

Provided regular consultation and training for clinical and administrative staff of co-ed residential drug treatment programs for adults. Advised staff regarding creation of a "women-only" drug treatment house.

Cornerstones-Project RAP, Beverly, MA (1989-1994)

Provided regular training and supervision for the staff of a residential facility for children recently discharged from secure psychiatric hospital programs.

Gloucester District Court Clinic, Gloucester, MA (1989-1993)

Provided a full range of clinical and forensic evaluations, expert testimony, consultations to judges, juvenile and adult probation officers, police officers and other court staff regarding the mental health needs of people in contact with the legal system.

Essex County Correctional Facility, Middleton, MA (1991-1993)

As psychologist and part of the Infirmary staff, performed psychological evaluations and risk assessments of inmates and consultation to correctional staff.

Psychological Services, Inc., Brockton, MA (1992-1994)

Forensic psychologist in a group practice that provided specialized evaluations for courts and other agencies.

Massachusetts Department of Mental Retardation, Boston, MA (1991-1993)

Served as "DMR Expert/Consultant" in cases involving the use of aversive means to modify self-injurious behavior in autistic, cognitively-impaired children, adolescents and young adults.

Hospice of the North Shore, Danvers, MA (1990-1991)

Provided regular supervision and staff training for an in-home hospice program serving terminally-ill clients and their families.

Cape Ann Mental Health Center, Gloucester, MA (1989-1991)

Provided weekly clinical and forensic consultation and training for staff of a community mental health center.

North Shore Children's Hospital, Salem, MA (1978-1989)

As Director of Inpatient Psychiatry Services, created and directed a coed 12-bed unit offering emergency and short-term psychiatric interventions for children and adolescents. Provided training and supervision for direct care, educational and clinical staff.

May Institute for Autistic Children, Chatham, MA (1973-1978)

As Director, had clinical and administrative responsibility for a residential treatment program for autistic children, adolescents and adults. Hired, trained and supervised direct care, educational and clinical staff enabling the program to grow from 21 to 39 residents. Created a 766-approved school program including trained special education staff, signing and verbal speech/language staff, behavior management and family involvement clinicians.

Hampshire Country School, Rindge, NH (1966-1971)

As Psychologist and Director of Child Care Services, performed evaluations, provided treatment, hired, trained and supervised houseparent staff of a coed residential school for approximately one hundred children and adolescents with Asperger's Syndrome, emotional and behavioral problems.

Warren Day Camp, Brookline, MA (Summers, 1967-1970)

As Director, had clinical and administrative responsibility for a summer day program for 50-60 autistic children and adolescents. Hired, trained and supervised direct care and clinical staff. Consulted to parents and referring agencies related to needed full-year programs. (Asst. Director – Summer, 1966)

Camp Wediko, Hillsborough, NH (Summers, 1961 and 1962)

As Cabin Counselor, lived and worked with emotionally disturbed 8 to 16 year old boys. Trained and supervised by senior clinical staff from the Judge Baker Guidance Center.
