## 2017 Holiday Observances and Studio Closures

Tuition is due the first week of the month.

*Please note: A late fee of \$5 may be applied after the first week*

Tuition Payment is based on a 4 week month.

*Some months may have extra weeks, which help balance out holidays and other studio closures. Total classes for 2017, including studio closures, will average 4 classes per month.*

### Make Up Policies

In the event an instructor is unable to teach a class, every step is made to find a substitute, or a comparable alternate class will be offered.

If a student is unable to attend a class due to illness, or schedule conflict, a comparable class, or alternate class will be offered. This can be discussed with the instructor of the class.

Regarding Student Absences:

When a student signs up for a class, they are signing up for their "spot". Classes must meet certain criteria in order to maintain, and if there are not enough participants, the class will dissolve. On the other hand, we also have a maximum per class, and will close a class, once the maximum is reached. We can not pro-rate a class, due to absences by the student. We CAN change the rate of payment, and charge a "Drop-In" price, versus the full month tuition price. This can be discussed with the instructor of the class.

It is recommended to contact the studio, or instructor, if the student will miss class. If a student misses more than three weeks, and has not notified the studio, or instructor, the student may be considered dropped from the class. Our studio is very busy with performances, and depends on the participation of all students in their classes. It is very IMPORTANT to relay to the instructor any vacation plans, or missed classes due to conflicts of interest.

### ZUMBA

Zumba classes are offered mornings and evenings. Any class is available and included as a choice to attend. The participant can change their schedule as often as they like, at any time. Although we offer several Zumba classes, if there are not enough attending the class, it will be subject to change. It is recommended to ask for a confirmation of a class day and time before changing you schedule. Since Zumba has such a flexible schedule, the holiday and closure days are flexible also. Each instructor will determine whether they will follow the same schedule as the dance classes, or their own schedule.

### STORMS/POWER OUTAGES

In the event of extreme weather conditions, or power outages, classes may need to be cancelled. It may be difficult to contact all students, so please check your email, OR check our studio FACEBOOK page for updates.
