SUBJECT: ARTICLE #13 Barak Obama, Federal, TSA, Attitudes, and more

TO: Governor Andrew M. Cuomo Office
New York State Executive Chamber
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM. MY LAST NAME IS EVERY LAST NAME IN THIS EARTH AND ALL MY CHREATIONS.

All Articles are COMMANDS from ME (I AM). My words or my speech are my ORDERS, UNLESS I SAY IT IS A COMMAND. Every and all Directions, Guidance, Plans, Rules, Orders, Commands, Comrandas, Decrees, Decrys and higher can never be disobeyed. If you do, you have serious penalties including charges and sentences on you.

All States/Countries in this Earth, are to use all my Articles to transition/change the way they are operating, to protect themselves, and the environment. There is no excuse for any state or country to not follow my Commands, Comrandas, Decrees, Decry, and higher. The States/countries in this world and the Chreations, are to begin immediately, right now in making the changes happen according to my Commands.

Federal Terror Daily

I am under terror, horror, torture, torment by the Federal government and the many wicked Earth Agencies and organization who are killing my Chreations and other chreations. These wicked Earth federal, republic, and other devels continuously disrupt my life every day, so I cannot get my work done.

This Earth is the Terror of the Many Chreations.

The many countries such as the USA, North Korea, China, United Kingdom, Russia, Moving pictures entertainment like Time Warner, Foxx, and many other have been killing many Chreators and their Chreations. They have killed my chreations and all those under my authority for a very long time. They go out of the Earth with the Space shuttle with many explosives and the target the lives they see and they believe they have no feelings, as they are of a different type of skin design than they are. The federals, British, and others kill the Chreators and wiped out the many different chreators inside each chreations and the devels put themselves as the leeders in the outside places. The Devels who take over the Earth, they use the Satellite to control everywhere. They use the space shuttles, space ships,

atomic bombs, weapon of mass destructions, many different types of bombs, and use power source underneath the Elevations and levels of the different Creations including this Earth.

Devel Power Source

Some workers have the devel power connection under their desks and controlled by a foot pedal. The insect devils use the many creation including this Earth elevations as power sources, as they sucked the lives up from other elevation you cannot see. They use the peoples body heat, their body energy, they sucked them together and form coils that looks like snake toilet coil that remove obstacles stuck in the toilet. The devils then use the people stuck to these thick coils, to terror other Creations, destroy them, and horror them in so many different ways, it is painful to relate this to you. If you look at the destruction of my new Dell computer that Dell opens up and allows the federals to get inside my PC. You will also see the many problems I encounter getting this document prepared; you will see the many Thrilliant of devils terrorizing me and destroying this document while I am preparing it today, 7/19/17.

The Republics

The Republics are the older generations of the devils. They are the ones who destroy Russia and many countries and still have a strong hold. The British are under the Democrats. However, the Trumps or God the Fathers, swings both sides and favors the Republics. The Republics like to republish themselves every now and again and to enforce high disasters and heightened terror. The Republics now want to destroy the Jamaica North, Central, South Continents/USA. The Republics want to bring the USA in the same state as they did to Russia. They have been here before and they are never to return; however, they like to challenge themselves in doing bad. They are here after the Clinton ERA and doing their terror and disasters inside and outside the Earth among much more wickednesses. Barak Obama and Donald Trumps have taken control of my Earths, and my moneys and squandering them, and in control of my banks along with Barak Obama, the Judas, the Jesus, & the Barabas of the Bible.

Republics use a lot of vigilantes. A vigilante is one who keeps a vigil and rarely stops or go to sleep. They keep a vigil to do insurrection and antics. The right name is vigilantics. They like moving fast and speaking fast so you do not understand, and do not like to be questioned. They keep your mind occupy with terror, horror, bullying, harassments, and antics. When you ask them why they are doing these things, they said they are playing. They turn off their minds, put their penis covered with the cocky and direct it to their head, and cover their eyes so they do not see the damage, deaths and harm they are causing. They tell all who they order and force to work for them not to think, just do the wickednesses.

Interloupe Devel Prisoners as our Leeders

All the Leeders who are Presidents and other leadership names for all my States are Prisoners anywhere they go outside this Earth and in all places, as they have been convicted prisoners far longer before this earth created. These devel things do not want to return to where they belong as there is no place for them to return to only prison. In the meanwhile, they put innocent people into the prisons and say someone has to pay for their wicked, bad, and terror ways. Barak Obama, Andrew Cuomo, Charlie Chris, Rick Scott, and the others who are man Presidents and those who looks like women but are man under the clothing are escaped prisoners of wars. There are other plastic and rubber leeders in other countries; some in the Banks, organizations, Embassies, and governments who are also devel

spirit prisoners who escaped. All these spirit leaders are also prisoners in this Earth anytime they come in or present themselves for political races or for political jobs and other jobs of leadership.

Our History

Congress, Records Departments, Registrar General, Libraries, Schools, Colleges, Universities, Oxford, Yale, Texas University, University of Miami, Harvard University, Department of Archives & records management, and all others responsible for deception, where are our History? Where are all the footages, the clips, and the archived day by day recording of the various events of this Earth? How can you let me and my children believe in the bible? How could you have allowed others to erase my name from all my properties and put in the names of Penis man and Ban? Why have you hidden the computer connections for the students in the colleges and universities? Where is the history for the 18th Century, 17th century, 16th century, 15th century, 14th century, 13th century, 12th century, 11th century, right back to when the Earth open

Barak Obama

Barak, your website (www.straightdope.com) you have made this year 2017, to build yourself up from my articles and my published work, is illegal. You are plagiarizing on my work. You have violated my rights. You have violated my Commands. You have used almost all my information in your web publication in the graphic illustrations you have. You have violated all of us inside this Earth. You have used my family names continuously in the public and so much in the private. I was trying to remember my family names while I was writing the Decry documents, and you removed it from my mind so that you would continue to use them. You have done the same thing to me and you have taken over my children, my properties, taken over my names, and have been using us for more than trillions of years since you have started in many different places inside and outside this Earth.

Barak, you are using my family names (Cecil Adams) and connecting them to your DOPE, an illegal substance. You and the other President and country leaders know every name of my family whether it is pet name or their official name. You know how to steal my moneys and use them illegally. You have taken control of my moneys and you have taken control of all my banks and credit unions. It is your business to be a USA Presidential figure and then you are a Dope dealer and a promoter of Dope. The celestials use a lot of those substances, as they are living in this Earth they are not to live in. Barak, you are using two of my family names on your web site and calling yourself Cecil Adams. At the same time, you are using my family information, you are making money from my work. Barak, you are using my family Trust Funds and Estate funds while you are using our names.

Barak and the others, while they put themselves to live here, they experience stings and they feel the pain of the many curses on them. They use dope and other illegal substances and injections to deaden themselves, so they do not feel the pain and they have no feelings toward us Caicobans, who are from the Cobans Spectres. These leaders are stubborn, cold, hard, rough, tough, inflexible and they want to do leadership their own insect way. They take turn in leeding in different countries of the Earth so their faces are not remembered. These things recreate themselves and they have the regenerator and the recreators who recreates them from plastics and their computer chip memory in less than a senti which is so much less than a second. They have the recreation process computerized and placed in their bottom (Batty) jaws. As they explode, they are automatically recreated. If not, the regenerator will regenerate them.

Barak Obama, On August 3, 2017, I saw your website and asked you about the web page, the date of inception, the illustration, and the connection to my Articles and my published work, and you answered me. Then you removed the illustrations that I told you not to remove since I already seen it. The illustration is not a single picture. It is a string of illustrations or many picture illustrations attached together and almost connected to all my articles and published work on these matters. There was the old woman who live in a shoe on it, graphics connecting to the pussy batty man, graphics connecting to you stealing and using my money and having me work for you and much more. Your website says: Publishers - interested in subscribing to the Straight Dope? Send questions for Cecil Adams to: cecil@chicagoreader.com. subscriptions@chicagoreader.com. Copyright © 2017 Sun-Times Media, LLC. I charge you 2.5 million dollars for disobeying me. Pay me my money now. Pay me my money now. Pay me my money now. Pay me my money now by certified check.

Federal Government and Barak Obama

You are removing my information from my mind when I am writing my documents, so the quality and quantity of information is reduced and my children are left lacking. Federal governments you are a criminal, a Crumungin and you are a crumunginal. You are a mean, selfish, hard, cold, SIN thing and you are a ginal who thinks you can deceive and twist our mind toward you. Federal government and Barak Obama you are preventing me from working on my documents and you are going into my computer and using my information first to pretend that you are the original of my information. For months the federal government of Homeland Security, TSA, others and Obama and Trump have been delaying me and stinging and biting and torturing me, so that I cannot work on the documents I have to send out. They are using my information and they are delaying the process that must be put in place so it suits them. They know my thoughts before I can word them and they know my information before I publish them. They pick and choose what is most important of my information for them to work on while they sting and destroy my life so that I cannot publish my information at the time I want. They did the same thing for a book that I publish and they delayed it with the publisher for nearly a year.

Devel Computerized Recreation Regeneration Process

The Interloop insects said when they do not have anymore of their species, they are recreated in plastics like a denser balloon. Within a day, the balloon type can be transformed to a better type of plastics, and after that time, they can return to their specie form. Through a transfer process, they can be put back in their specie then they say the memory comes back. They said they are other types of recreation and regeneration process available in other areas and in their areas.

Cobans

I am from the Coban Spectres, and this Earth is connected to the Cobans anywhere you go in the Esistence or outside this Earth. There are Cobans inside my Esistence, outside my Life Chreation, and outside my other chreations or designs. Everyone in this Earth is called Caicobans and not Peoples. Peoples are Caicobans, Persons are Caicobans, Coloured are Caicobans, Rankings are Caicobans, Uppers are Caicobans, The GOGS are Caicobans.

Governor Cuomo/Pussy Batty Man

Why are you using my paid maternity leave information that I put together since 2016 just like Tampa Mayor, and Ivanka Trump, Donald Trump's, supposedly daughter did since this year 2017. Why is it that you penis, (Cocky), Pussy Batty Mans want to be a woman and to do a pussy woman's job? Take your Raas Klaaat out of my State Office. You are Souring up New York, and I do not want it to be Stinky. Cuomo, you take my information from my brain with Barak Obama, the Senators, the

congress ones, and the other governors and Leaders from around the Earth since January 2013, and you know my past experiences and my knowledge. You removed my information from my brain to help you and the other leaders. You have all been draining my body and have been using my information all over this Earth to promote your Pussy Batty Man leadership. You figured that all of you would open me up, and then I would somehow be able to help you in your Pussy leadership; therefore, you have been abusing my information and plagiarizing my knowledge.

I charge you Cuomo, Ivanka Trump, Tampa Mayor, and the other Leaders/Leaders for Plagiarizing my knowledge and my information. Each of you pay me a sum off 911 Trillion dollars per month for the next 911 Trillionth years beginning the date of this document. You Pussy Batty Man Leaders are all Bumbo Fucking Leeches. All of you GET OUT NOW. GET OUT NOW. GET OUT NOW. GET OUT NOWWWW.

Man Enema Douche

I asked the devils to tell me about the man prostitutes and while they were sharing their story, they said that they tried the woman douche, as they know I use it, and it protects my vagina and my bottom as well. They said they tried to use the woman douche in the man bottom and it works for them, and it closes up their bottom. They said the man douche can be done but with a weaker quality than the woman. I think it is a good idea and it can be used as an enema to also clean out the Ban/Man Batty (bottom) as well. They said that I got that information previously, and I removed it as I wasn't sure about it. However, they used the woman douche and it worked for them.

I asked other sources and the man douche is available. The man douche looks like an enema. It is inserted in the rectum, or batty, or bottom. The devil's do not like the man and the Bans to use the man douche. When the man/Ban use the douche it closes up their bottom and their brain to the desire for the homosexual relationship and sex. The douche tightens the bottom and it is extremely difficult for the devil to get into the man bottom or the woman's. The said the man/Ban can use the same version and the same strength as the woman's douche. The woman's douche protects the woman's vagina and the batty as well and prevents the devil from getting into our private parts. The man can also use a weaker version of the douche. Any type the woman uses they can use it as well.

The Woman Man Douche

The douche protects the man's batty so they do not want to have sex in the rectum or any part of their body. It has the protection to tighten the woman's vagina. The devils go inside the woman's vagina and use many different tools and equipment's to widen the woman's vagina and for the Ban/man to have problem in love mating. The devil does this a lot with women who have children, and caused the woman to believe the wideness is caused from child birth. It is not. The woman should have the douche once per month if she has regular love mating. If not then twice or three times per year to use the douche. The devils leaders do not like anyone protected so they said that the douche is bad for the woman. That is because they want to get inside our bodies and our mind from our vagina and upstir our lives and our home.

Devel Praastitution

Prostitution is one of the Devel Titles. Only devel Man can be a Prostitute. The devils man began to lie down on their backs and to have sex out in the open public to the point where it is against their Law. The Devils have Law that is their guides of what is wrong or right in their existence.

Prostitution in This Earth

No one or any Lives in this Earth is supposed to be destitute so they need to have sex to get money to survive. This happening is the devel man wanting to transfer their devel sin curses on us, so they take our money and our property and they put us to work like wild beasts then they take our jobs and take our allowances then our children and we do not have anything to eat or anywhere to live and we have to do whatever it takes to survive. When women have sex with multiple of men it is not prostitution; it is called despiration Fuckings. No Caicobans in this Earth or anywhere can be charged for Fuckings. A woman cannot be charged or put in prison for any reason and not for trying to feed and clothe themselves and their families through desperation because of the federal government, republic governments, or other governments and monarchies stealing our entitlements, enfranchisements, our titles, lots/plots, estates, and our allowances. Prostitution is an act of the devils as they possess others.

No Caicoban Angie or Ban (woman) can be put in prison for prostitution ever.

You can use OIL to Protect Computer and Electronic Devices

To maintain your computer and electronic devices, you can use oil to rub on the screen, the back, and all over the wires and cords. Oil should be full, with no part removed or reduced. You could use corn oil, coconut oil, flowers oil, sunflower oil, canola oil, olive oil, and so on.

Vectored Graphics

Vectored graphics are a paler version of the original photo or graphic illustration. Most of the properties of the graphics have been removed, and the vectored graphics does not have much quality in it. It can become quickly like a pale or washed out photo copy.

California Fires

The fires in California last year 2016, about during the summer months. Were caused by the Stump who said he is Donald Trump. Last year in early November, while I was traveling, there were many of these devils on the airplane and causing many severe air turbulances. While on the airplane, other wicked acts were ongoing and one of these wicked devel things was that of the Stump. He is a black charred out tree stump. He said he was in the California fires and he, Donald Trump, sets the fires, and he was burnt up in the fires. I have seen many versions of Donald Trump on TV, and I know that there are many different and similar versions of him in my chreations and in this Earth and these Earths. These California fires every year destroyed my properties, my children's properties and killed many lives over the years. This is the same Donald Trump who the congress and government has given leadership over my children and my Earths as President of the United States of America and killing my children daily.

Many of the deaths that occurred in this Earth since this year 2017, all over the Earths, have been done by Donald Trump, as he has no power or authority to leed, and he is killing my children in order to take their power and authority from them and for him to use to operate in congress and Senate as leeder. I have used commands and higher to stop Donald Trump, and he is still leeding and still killing my children as he continues to tear me down and to remove my inner selves so he can use for power as well.

These wicked government and republic leeders are using a **halo and a hand over the heads** of my Earth children in this Earth and my Earths to stunt their brain and to put insurrections on them continuously. The halo and hands are in every states/Country and in many churches and religious places. These leeders do not want you to have any life. They want you to work like machines all day and nights and never to enjoy your lives. They put these things over your head so you do not think outside the box they put your minds and bodies in. They do not want you to question their holy books, and so they say that you must never question the devel god about what is in the books you must accept what god says. Nothing goes like that. They are the same ones who do not want you to think. They want you to just do as they say and you are doing foolish things and insensible things, and you do not see that you are wasting your lives away on devel laws of commandments and devel literatures that are all deceptions. You are to say: Hand over my head, hand over my head, hand over my head, hand over my head, get away from me, get away from me, get away from me, get away from me. You can use this same process to drive away other things that are itching you repeatedly, biting you repeatedly, causing you to sneeze, crawl on you, getting in your work progress, your home life, and so on.

Weather Reporters

I charge the weather reporters for telling lies about the weather and the cause of the weather. They fixed the TV monitors with their reports prior and they cut out the truth from our knowledge. They know that the hurricane, storms, tornadoes, man soon, typhoon, Tsunami, fires and many other disasters are caused by the many federal, republics, monarchies, police, FBIs, Popes, military, Senate, courts, Congress man and woman, Pastors, Governors, Mayors, and many reporters, movie producers, TV producers and many devels sometimes from inside of this earth and sometimes from outside of this Earth. Sometime the weather is developed right from some of their backyards, as the federal government makes them do what the federal governments wants. However, they do not say so. They say it is coming from the Caribbean and Africa, to say that the best places and the highest authority in this earth, are the wicked places, when the devels are the ones doing the wicked things. I sentence all responsible, to Maximum Security State Prison with no parole and the punishments I have ordered for all in maximum security prisoners.

Call Centers- Hard of Hearing Banks

No Banks are to use Call Centers as a good number of the workers are operating from the heaven and outer space, as their telephones are connected to the satellites. Even if the call centers were monitored by the banks, it would still be illegal to use them as the banks can make their own money and do not have money problems. Therefore, they are the same as federal and they are the same devels who control all my Earths.

Chase Bank and other Banks

I have also seen Chase bank work with the federal government, homeland security and TSA to destroy me, Paulett Angella Hemmings and my children (you) in this Earth in other elevations. The federal also call themselves Big Daddy as they have all my money to use, to find many to support them, as they can pay for it with my money.

Nation Star Mortgage (NSM)

NSM announced they are going to change name and to use the Mr. Cooper as their backers to happen soon. I forbid this transaction. They cannot hide in the Federal, and they are holders of my mortgage. I have contacted them by letter and introduced myself, and asked them for my money, so now they have decided not to give me my money, but to hide under the federal Mr. Cooper or federal Big Daddy or federal Big Batty Pussy umbrella.

Rock is Barak Obama

Barak is one of those who wrote and inspired the Bible and many holy devel books and fabricated some of my personal information from my writing into the Bible and books authored by other versions of me. I have a book on the Testament of Paulett Angella Hemmings in my office, the District of Columbia, that was cut out of Jamaica and put in another area, is renamed by the devels and called Washington DC. They have used many other books in my office and put other authors names on my writings, taken over my book publishing companies, called them other man's name, give a bit to a few women and many to men, then put their names on them to say it is their original work such as Albert Einstein work that is the same George Washington, who stole my properties.

The devels stole my many enterprises and renamed many of them in other's name. Kentucky fried Chicken recipe and name is a fake, Walmart is PaulettMart and the federal allowed them to modify the name they stole and given to other pussy batty man. Another example is McDonald Restaurant was named Paulett Angella McDonald (PAM) as my last name is all the names of every earth lives and especially the Mac and Mc. Is Ronald McDonald the same as Donald Trump?

George Washington said he is the same as Sir Alexander Bustamante of Jamaica and Einstein.

Bad Attitudes, Bad Behavior of Women and Men

All Man, Ban, Van who display bad attitudes or bad behaviors are controlled by the many devel Species who are the seven others Existence and are not from the Chreation of Life (see Article 12). All man leeders or Ban leaders are controlled by some of the seven other Existence.

The seven others man Existence have different types of penis. They make a penis that looks like a Ban Cocky, that has a hollow inside and have many bad things in them. They put the Cocky over their penis, penile, peeny, taily and then they turn the cocky to direct their brain. They then push the neck bone from where it stands connecting to the brain to the side so they have open access to their brain. They are brain rapers.

A man, ban, van cocky or penis is the most developed part of their body and it is developed to only communicate and stimulate the pussy, vagina, vegan, punny, tunny, and other names. When the man, is using their penis to stimulate their brain they are indeed having sex and raping their brain. They have a lot of stimulation in the cocky they put over their penis, and they have controls that they can turn up higher and higher. Because of these wicked penis controls, you get the vigilantes that is always running around doing destruction, murder, shooting, raping, terrorizing and other wicked acts.

These devel men go into the ban, vans and other devel men body, take possession of them, and use the cocky stimulation to direct the ban, van, and man leeders brain those affected are workers, husbands, children, sons, grandparents, cousins, uncles and so on. I asked the man why they put the cocky into

their brain, and they said it is the best developed part of their body so they use it. Even though I instructed them not to do so and explained what they are doing wrong, the main leaders washed out their brain and reconnected the bad things to them.

Man penis or cocky pointed into their heads creates discombobulation, confusion, erratic behavior, criticism, put-downs, undermining, and the making of Penal Laws that is really Penis Law that they institute and activate. We are now in this period where penal laws have been introduced and being carried out every second of the day in this Earth and all my Earths by these Republics, Republicans devels as they Republic themselves with erratic and forceful wickednesses. The Interlope devels have titles as Wickedanesses, Wickedes, wickededa, wickede. They use many wickedanesses tied up and crunched together to form many power and weight to do these outrageous wickednesses we experience by the minute. The older generations of the devels are the ones who control the younger generations and use them to destroy themselves and others who are not them.

With the bad attitudes of our peoples, most of the times, it is because the devels cut out your inner selves and is wearing you like clothes, or they put other plastics devels with many stimulations and wicked things in them inside your body to live and to control your activities, your emotion, your speech, your thinking, your plans, and your future. When the devels are wearing you, they can have more control over you, as they are using your inner selves to control you. They also use your power and authority from your inner selves to control others and to do harm to your family and generations.

Boeing, are you using wires and incondesant airplane parachute on airplanes, so when there is a crash the passengers are taken into the heaven?

TSA Airports, Airlines, and Activities

TSA, ever lives and every object whether big or small in this Earth and these Earths belong to me. It is my job to ask and look about their longevity and safety.

TSA, why was my computer destroyed while I was on the United Airlines flight to DC, that took my hand luggage and put in the checked luggage compartment, and the devels went inside that area and tore out my computer inside and destroyed my laptop in the Federal cut out and other elevations?

TSA, why when the devels dug out my head middle, put sorcery on me while on the flight, and I forgot my winter jacket in the airplane, did the TSA, United Airlines attendants, the lost and found, and the airport Police were so brutal to me for asking for my jacket?

TSA, if a passenger forgets their winter jacket in the airplane and realizes the jacket is missing and go to the lost and found and ask for help is it right for the airline to refuse to help? Is it right for TSA to refuse to help? Is it right for the flight attendant to refuse to help?

TSA, is it right for the TSA to tell me that either I leave without my winter jacket, throw away my personal items from my checked in luggage, as I was a tourist visiting, or be arrested by the DC Police?

TSA, did you send the police to arrest me, because I couldn't leave without my winter jacket, as it was winter and you wanted me to spend money unnecessarily and you also wanted, me to get pneumonia?

TSA, did you go into the lost and found attendant and destroyed his inside self in order for you to use him to refuse helping me?

TSA, is American Airlines Miami International trafficking any form of illegal drugs, narcotics, counter bands?

TSA, is American Airlines storing gasoline or fuel and other things illegally in the airport terminals?

TSA, why is American Airline Terminal D, Miami Intl. so long and big?

TSA/DHS, are you telling American Airlines and other Airlines how to cover up fraud, passenger mishandling, and how to do wicked things so they are not detected?

TSA, why do the passengers have to walk so long when we get off American Airlines Miami flights in order to get to the baggage areas and the ground transportation?

TSA, did anyone one or any entity from the State of Florida or an attorney ask you to release and send me my Video tape, audio tape with all accurate timing, accurate sound and voice, and full pictures of the event with no part removed or blurred for the January 1 to January 4, 2017 Miami International Airport abduction, battery, terror, horror, abuse and other adjectives as yet? If not, send them to me with nothing altered or blurred, or any voice overs, or missing date, or timing, and do not cut anything and paste anything.

Department of Homeland Security

Department of Homeland Security, have you sent me the video, audio, and all full pictures with real timing, real color, and with my real natural flesh voice not vectored or cut and pasted with other voices and not altered by anyone or anything of the Miami International abduction, terror, horror, sodomy, rape, starvation, thirst, killing, destroying, broken bones, destroyed shoulder and fingers and arm,

vagina, bottom, and other parts occurred on January 1- 4, 2017 as yet? If not, send them to me separate from TSA and not the same version from TSA.

Microsoft

Microsoft, was Steve Jobs, the **thieving founder**, a plastic man?

Microsoft, Did Steve Jobs die of Cancer or you had to retire him until a next time?

Microsoft, is Steve Jobs the same as Barak Obama and Rue Paul?

Microsoft, is Steve Jobs the same Barak Obama of maybe the 1950's who call himself "Ballhead Paulet"?

Microsoft, is Steve Jobs replacement as CEO another version of Steve Jobs?

Microsoft, did you remove the replacement or the new Microsoft director or (CEO), inner self and put in Steve Jobs, so he would be liked by the viewers or what? He looks and acts like Steve Jobs the last time I saw him on TV.

Women

The women are controlled to some degree by the women devils called the Interlope Ninnies. The Ninnies are women, and they also have many inner and outer selves of many kinds of lives like our own inside of them as they capture them. They go inside the women and control our mouth, tongue, throat, brain, thinking, and many things. Some of them knows the different parts of our body, and they put many germs in us, like cancers, warts, fevers, and many diseases including the fibroids, and irregular pregnancy and irregular menstrual periods. Most of the men go into the women and do these wicked things as well. The Ninnies also behave like mosquitoes making many annoying sounds in our ears, and they use this method **to display their idea** that women are nagging, annoying, as both the women and men devils work together in women and men to create conflict with a spouse or with another woman or man at work, on the street or anywhere. Many times, these Ninnies and man devils carry recorded sounds that they attach to us, and they connect and press button to generate emotions and activities pre-recorded that work on us. When they possess us, our actions are like them, and they like that, as it is success for them, and they score points for causing us to behave in their manner and in their likeness. They say that they recreated us in their likeness.

Interlope BomBury Devils

The interlope is the one who likes to make explosives and they like wars and to use weapons they make from the explosives. Their name is BomBury and they make a lot of bombs, beers, and other liquor. They do not want us to make our liquor because the mixture will burn and sting them to death. They tell us that drinking alcohol is bad, and they put many things in our alcoholic drinks to cause us to blabber and to not be conscious of our surroundings.

The BomBury are the ones who initiate the fireworks with the loud sound. They like to make clappers, hand grenades, rockets, mines, improvised explosive devices (IED), guns, pistols, small bombs, and others.

Devel Activities

Menopause is men-hole-pause (Pussy hole "O") women from having their regular menstrual cycle. They push something inside our vagina and then it stops, and they also connects some body veins, that stops it as well. They also put themselves in us, on us, and tied themselves on us to cause heat, sweating, anxiety, and they put heat all around us that we cannot see.

Menstrual means (man structural). The man goes into our bodies and make changes causing women to bleed for a period each month when they are adults. Our body are made to carry on this cycle without outward bleeding, but the men went inside or bodies with many Chreators they abduct and control and removed the mercury sack that prevents pain when we are having children, and thy removed the connections in our bodies that prevents the blood from coming outside of our body. These are tested activities the devels do many years and many eras before this earth open, so they know what they are doing. As the devels kill us, and we eventually die, we regenerate and reborn in the Earth about 175 years after and continue to become less and less protected, and have less and less quality in our body as these devel will go into every one of us body and make continuous changes before we are born.

You can recognize some of the devels easily, as they wear the same hair style and same type of clothing continuously. They want us to do the same, so they said you are not to change your hair style or your style of clothing so often, as it will appear as if you are not trustworthy. Many of them are TV broadcasters, cable broadcasters, movie stars, actors on Broadway, Banking, Financing, Accounting, Communications networkings, cable and wireless, energy, publishing, weapon makings, supporters of the wars, Radio tuning, airplane making and operation, satellite advancement, transportation, retail, builders, and much more.

TV Stations

TV stations have vectors, and scanners, and microscopitic lenses, door openers, window openers, and many other wicked tools that they use to get inside our homes from our TV screen when we turn them on. The TV companies have devels who come into your home and remove the protective screens from each TV so the TV stations can have access to spy on us from the station because they have a variety of different satellites connections from inside the earth and outside the earth so they control many Chreations and this earth. They control many underground Chreations and over the ground chreations through these satellites that are illegal in this Earth and these Earths. They also do wicked things to us while we are watching the TV, and they have access to our homes when we are unaware of their presence.

TV stations, Cables, movie producers, internet providers and others, how many more actors are you going to present impersonating Donald Trump, Bill Clinton, Hillary Clinton Man, Barak Obama, the various speakers of the house, the governors, mayors, Microsoft leader of today and the past, and the others you use to deceive us and to fool yourselves?

All TV Reporters, Producers, Journalists, and those in the background who supports Politics, the Presidents, Governors, Political leaders, Monarchy, Royalties, Mayors, City Councils, Senators, Congress man and women, Congress, the Senate, the Justice, the Police, the Military, you are charged for every news reports that are reported for politics to support these illegal government and political individuals or things.

Man Leadership

The Presidents, Prime Ministers, Chancellors, Popes, State/Country leaders, the TV producers, Movie Producers, devel syndications, and others do not want to give up their man leadership, so they deny all my other versions when they come of age to lead. These same devel leaders are doing the same things to me right now, and preventing me from doing the things I need to do in the manner they are to be

done. All their activities are affecting you (my children) and preventing you from living in the right manner you should.

TSA V DHS

Transportation Security Administration (TSA) said they did not make any agreements with the Department of Homeland Security (DHS) to be under them. TSA said they agreed to come into the Earth and work, when DHS invited them, but they never agreed to work under DHS. The agreement is for TSA to be independent like how the government agencies were set up before DHS. However, DHS got greedy and sucked up many government agencies under its umbrella and sucked up TSA as well. TSA said they have more experience than DHS, but they were put under DHS, so everything that they do is according to what DHS tells them and approve for them to do. The right meaning of Homeland Security is Horses, osmosis, mary, ecret birds, licencious, ants, niger flies, devels, and security means protection.

The Penis One

Man and the Penis Ones, have taken over leadership in MY EARTH and Chreations, and that must never continue to esist. No Man, or Ban, or Van, Penis leadership in this Earth or any Earths or Chreations or Esistence. If you want to be a Chreater, or a Maker, or a Builder, or a Putter, go do it on your own and not in or on our properties. All women titles have (er) at the end, and we have had to change it to (or) because you have stolen our titles and our properties. Women titles and properties are not for a man, or a ban, or a van, or a Penis One.

Governor Andrew Cuomo, I have told you several times now by letter and by my various commands of higher degrees, that you must put a postal address number on the website and in your documents for your office in Albany. I have told you that it is difficult for the post offices and the mail service to find your address and to send you documents or postages, and that is inefficient, ineffective, and unprofessional. Does your New York Capitol postal number have the following digits not in any order: 1369? Do you not want to include the numbers as your address or what? Are you both a federal and state representative or what? Cuomo, are you and New York State fully federalized now?

A Dog is a man's best friend. Are you Barak's friend? Or is it the Trump? Are you the Holy Ghost Now? since Barak Obama a the Son, and Donald Trump a the Father. Donald Trump

Donald Trump, are you a Gurner/Hurner? Did you marry many Interlope Bombury? Trump, you know that you can only marry to your own, Gurner! So how did you do it? That is a problem on all sides, as everything the Gurner's have; now become dust. So what is going to happen now, Trump? Are you going to make all the Existence, that are not from my Chreations become dust like Gurner? Or what?

Donald Trump, are you the Leed or Head of the Republicans/Republics/Republshers? Is that why you have taken over my Newspapers, Radios, TVs, Cables, Wireless, Internet, Web, Telephones, and all forms of communication waves and systems? Are you the "BIGGEST MAN" in Republishing yourself in different ERAS and different Millenias, Millenniums, and Centurys?

Donald Trump, are you one of those older generations who must steal from everyone and the younger one and have everything under your arm? Even the stolen woman Pussy you put under your arm?

Gurner and Interlope, are you the ones who have access to the Turner, Builder, Puller, Maker, Sounder, Furner and you discover all Esistence? Did you remove all our cover from us so we are exposed to your trickery, deception, and exploration?

Hillary Clinton

Hillary Clinton, is your last name Rodman?

Are you an Interlope Bombury type?

Did you steal the Rods and attached them to your name?

I have seen milky whites flying high wearing white clothings, and with the white lines. Did you steal the white Lines as well?

Hillary Clinton are you using the Rods and the Lines to create human species illegally in space areas and in this Earth?

Hillary Clinton, are you using the hospitals to create babies illegally?

Hillary Clinton what are you doing with Rods and Lines? Who gave you permission to use them?

Hillary Clinton are you building up your tribes of illegal mixtures of human cells and animals cells in the children you are creating in this Earth?

What else are you doing Hillary Clinton that we do not know, that are alarming and terrifying?

Chreation Sides

There are vast differences between the East and West side of the Chreations. The East side have different thinking, different rules, and different laws for a Chreator, for the Builder, for the Gurner, for the Puller, for the Maker and the other Esistence than the West side. For the Gurner's on the West side, their thinking is very different from those on the East side of Chreations. The West side, looks in their features differently than the East side. Their understanding is different, and mixing the East with the West create major conflicts and major disruption as no one can win. The actions and behaviors, are vast different as well.

There are also differences between generations, and the older generations thinking, actions, and behaviors are to us backwards. Some generations believe in "eyes for an eye, and teeth for one tooth"; another generation believes in "an eye for an eye, and a tooth for a tooth"; another generation believes in "do good to those who do bad, and that will change them"; another generation knows "keep your eyes and your mouth shut, keep your ears open and say nothing".

The older generations conspire and controls the younger generations. The older generations have all the prior generations information, and they hide it from the younger ones, then they explore them, discover them, invade their bodies and lives, and put them in unknown places, while the older generations enjoy the younger one's properties and titles.

No Federal Government Investigations

No federal government investigations for any reason. All the federal government do, is to use many different federal agents to investigate a case. They also pretend to be private investigators and no one knows that they are former federal agents or FBI's. The federal government use the investigation information they gather to further hide important information from the public and from the victim causing mistrials, not guilty verdicts, and inconclusive evidences. The federal wants to know what you know, so they give you documents to sign that frightens you, and it may say that you must comply and if not, you will go to prison. When they gather the information from you, they only use it to help them and not the victims. They use the investigation information to twist a yes or no answer from you while you are testifying. They are the masters and mistresses of trickery and semantics with words. They know how to twist a word and for you the victim to appear to be lying and to appear to be a disrupter.

When you are testifying they invade your body before and set themselves up in your brain, in your tongue, in your teeth, in your gum, in your throat, in your stomach, in your intestines, in your lips in your thinking, in your nose, in your ears and hearing, in your memory in your speech. They take control of your body and they attach electromagnetics, many tools, and electric equipments to you. They go into your body in the gazillions stuffed into each other, with many technical ones, and twos, and many Existence with different skills. They all work together to disrupt your memory, your speech, your thinking, your movements, they speak from your mouth with your own voice, their thinking, and their scripted words that they time cut and put in. They have many equipments to cut the time, and you do not know how it is done. While the time is cut, they are connecting many other ones and equipments on you, so you do what they want you to do in the view of the public, in order for them to get off the case as inconclusive, lack of evidence, and mistrials.

Government and Organizations Application Questioneer

When we get hired by governments, they give us lengthy questionnaires to fill out, so they can know our generations, our family addresses, our relatives address, our friends address, and telephone numbers, so they can call them and terrorize them if we do not comply with their laws. They also use our generations information to take out our trust funds and estate funds from the banks. They get the birth dates and the places of their residence from our application forms, so they can get our money from the banks they illegally control, and we do not know of these and other entitled funds that the governments and organizations have access to.

The governments can look and search for us anywhere our relatives, friends, or family live, where we can hide from them, when we do not do what they say we are to do to incriminate ourselves. The federals terrorize our family and friends from our employee file with phone calls and junk mail. The federals delevs like hunting, as they are insects and animal who like to dig and peruse, and they get excited to do the digging and hunting they enjoy. The federal FBI's, and Agents hunts us down for doing what is right to protect us from the federal, state, and county delevs that are destroying our Earth and our lives. It is unrule and unlawful for the federal, state, town, city or any organization to gather these personal information from us without us knowing the true meaning of the inquiry, and they are not to ask for these information, as they have nothing to do with our employment, or application, and there are no criminal lives in this Earth. The only criminal around are the governments, republics, monarchies, and many business leeders who have taken over my properties and leeding my children (you in this Earth) without authority.

Stop using the zoner in my breast putting heat and freezing cold on me while I am at home and stop from using the zones to spin my community and stop using the zoner to kill my generations and to squeeze them between buildings in the Earth Perspectile.
