## About Me

Hi! I'm Miss Kendra, I love singing, playing piano, guitar and ukulele! I write my own music and hope to one day put it out there for people to listen to. I also love to crochet, draw, paint and color. When I'm not teaching I'm probably either babysitting or at home relaxing/working on my music!

My favorite drink is either an iced turtle mocha from Caribou or a pink starburst tea without liftoff from Modern Wellness. My favorite snack is salt and vinegar Pringles or smart food white cheddar popcorn! My favorite color is turquoise. My favorite Bible verse is Romans 8:38 because it reminds me, that no matter what, I can never be too far from God's love!

I love working at Victory because I get to spread the love of God with so many kids and also help them reach their full potential academically as well!
