DESCRIPTION: This is a nice original Pearson Gamester hunting bow in original excellent condition. Attractive value-priced Ben Pearson recurve with higher-end features, such as tip overlays, beveled arrow shelf, and contrasting hardwood laminates.

This has no delamination; no cracks; limbs are straight. Beveled arrow shelf. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.

This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. I then took it to the archery range to shoot it. This is a really nice, economical bow that shoots well. Comes with the rug rest and side plate as shown, and a new string.
